34

35 **New Business: Quasi-Judicial Hearing.** All staff members, experts, witnesses or persons.
36 desiring to speak on the matter discussed were sworn in. All Historic Preservation Board
37 members stated that no ex-parte communication had taken place.
38

39 **A. Review and discussion for historic designation of 211 Park Avenue.**
40

41 Ms. Nadia DiTommaso, planner, identified herself for the record and stated that this was an
42 application for designation of 211 Park Avenue. Ms. DiTommaso gave a brief explanation of the
43 process used for designating a historic home. Ms. DiTommaso stated that there would be two
44 meetings and this meeting is the first public hearing to present to the board the application and
45 staff report. Ms. DiTommaso further stated that the board would decide if the property is worthy
46 for designation; and if the property is worthy, the following meeting is held the first Monday of
47 the next month upon which there would be a final discussion of the designation.
48

49 Ms. DiTommaso stated that the designation was requested by Margaret Nolan, owner of 211 Park
50 Avenue, and that the contractor, Mike Odum, and architect, Steven Roy, were present to speak on
51 her behalf. Ms. DiTommaso stated that a significant amount of repairs were needed before the
52 property could be brought back to the original mission style character of 1923. Ms. DiTommaso
53 stated that the roof had just recently been replaced with a S tile roof. Ms. DiTommaso stated that
54 the proposed work includes the windows, doors, painting, electric, plumbing and mechanical
55 work. Ms. DiTommaso further stated that they used the Secretary of the Interior's Standards for
56 rehabilitation to make sure that the proposed work would meet the historic guidelines.
57

58 Ms. DiTommaso stated that the new windows and doors would bring the home back to the mission
59 style character; the paint color has not been determined yet, but would match the mission style
60 character. Ms. DiTommaso stated that staff is recommending **APPROVAL** of the designation
61 with the condition of the proposed work:
62

- 63 1. Designation is contingent upon the completion of all renovations applied for on plans
64 A.0 through A.4, dated 1/05/09, and prepared by Mesa Architecture.
65
- 66 2. All additional exterior work, not presented as part of this designation, must be
67 presented to the Historic Preservation Board through the Certificate of Appropriateness
68 process.
69

70 Chairman Jeff Blakely stated the lot is only 50 foot wide and wondered if this was a buildable lot
71 since it is non-conforming, and also wondered if the garage could be rebuilt if the applicant
72 wanted to do so. Ms. DiTommaso stated that the lot was non-conforming based on set backs.
73

74 Mr. Steven Roy, identified himself for the record, and stated that he was the architect for the
75 project, and also stated that he is on the historic board for the City of West Palm Beach. Mr. Roy
76 further stated that they are replacing the windows to match the photograph from the 1940's. Mr.
77 Roy stated that an addition to the front porch was added on in 1944. Mr. Roy stated that the house
78 had not been well maintained over the years and there are some structural areas that do need

79 attention. Mr. Roy further stated that when the roof was replaced, reinforcement of the existing
80 roof rafters was performed.

81
82 Vice Chairman Dry asked that some consideration be given to bringing back the raised stucco
83 band.

84
85 Ms. Mary Gambino made a motion that 211 Park Avenue was worthy of designation and that this
86 application should move forward to the designation process at a public hearing to be held on April
87 6, 2009. Seconded by Vice Chairman Todd Dry.
