

RESOLUTION NO. 05-01-07

A RESOLUTION OF THE TOWN COMMISSION OF THE TOWN OF LAKE PARK, URGING MEMBERS OF THE FLORIDA LEGISLATURE TO SUPPORT THE ISSUES ENUMERATED HEREIN DURING THE FLORIDA LEGISLATURES 2007 LEGISLATIVE SESSION.

WHEREAS, municipal self-determination and local self-government are constantly under attack from a variety of public and private interests; and

WHEREAS, numerous counties have recently proposed revisions to their charters that would adversely impact the Home-Rule powers of municipalities within those counties; and

WHEREAS, a majority of Florida's municipalities have experienced negative impacts to infrastructure, housing stock and employment base from a series of natural disasters; higher than expected increases in the cost of building products; double-digit increases in the cost of property insurance; and inequities in the existing property-tax system; and

WHEREAS, Municipalities have also had to increasingly meet state mandates, at great expense the their constituents; and

WHEREAS, various proposed revisions to the property-tax system would have substantial adverse impacts for all municipalities in Florida should they be adopted; and

WHEREAS, Florida's municipalities are dependent on other governmental entities for financial stability and under the current system the state, counties, and school districts, control all funding sources authorized for implementing capital improvements and complying with concurrency requirements; and

WHEREAS, Gov. Charlie Crist and Florida's House and Senate leaders have an opportunity to address the fiscal concerns of municipalities during the upcoming 2007 legislative session.

NOW, THEREFORE, BE IT RESOLVED BY THE TOWN OF LAKE PARK:

Section 1. The Town of Lake Park hereby urges Gov. Charlie Crist and members of the Florida Legislature to support legislation during the 2007 legislative session that:

- Strengthen and maintains municipal Home-Rule authority for municipalities located within charter counties;
- Supports a tax structure that is fair and equitable, and is competitively neutral and allows municipalities the flexibility to provide adequate services in their communities.
- Preserves the dedicated documentary stamp fees as a funding source for the State and Local Government Housing Trust Fund (Sadowski Trust Fund), eliminates

the cap placed on fund distribution, and prohibits any of these trust fund dollars from being diverted to the General Revenue Fund.

- Provides a comprehensive and uniform workers' compensation system for all municipal employees, regardless of employee classification, at a reasonable cost to employers.
- Provides a dedicated and recurring source of revenue, including municipal local-option fuel taxes, rental-car surcharges, or other taxes or fees, for municipalities to fund transportation projects such as TRIP, urban arterial and other projects. Furthermore, the existing distribution formula for local-option transportation taxes imposed by a county should be revised to allow for a more equitable distribution to municipalities and provides for indexing of local-option fuel taxes.
- Requires legislative authorization prior to the Florida Department of Transportation removing or delaying any project that is contained in the FDOT Five-Year Work Plan.
- Preserves municipal authority to franchise cable and video services.

Section 2. A copy of this Resolution shall be provided to Gov. Charlie Crist, Senate President Ken Pruitt, House of Representatives Speaker Marco Rubio and members of the Florida Legislature.

The foregoing Resolution was offered by Commissioner Osterman, who moved its adoption. The motion was seconded by Commissioner Balius, and upon being put to a roll call vote, the vote was as follows:
