

AGENDA

Lake Park Town Commission
 Town of Lake Park, Florida
 Town Commission
 Budget Meeting
 Wednesday, July 17, 2013, 6:30 P.M.
 Lake Park Town Hall
 535 Park Avenue

James DuBois	—	Mayor
Kimberly Glas-Castro	—	Vice-Mayor
Erin T. Flaherty	—	Commissioner
Michael O'Rourke	—	Commissioner
Kathleen Rapoza	—	Commissioner
<hr style="border-top: 1px dashed black;"/>		
Dale S. Sugerman, Ph.D.	—	Town Manager
Thomas J. Baird, Esq.	—	Town Attorney
Vivian Mendez, CMC	—	Town Clerk

PLEASE TAKE NOTICE AND BE ADVISED, that if any interested person desires to appeal any decision of the Town Commission, with respect to any matter considered at this meeting, such interested person will need a record of the proceedings, and for such purpose, may need to ensure that a verbatim record of the proceedings is made, which record includes the testimony and evidence upon which the appeal is to be based. *Persons with disabilities requiring accommodations in order to participate in the meeting should contact the Town Clerk's office by calling 881-3311 at least 48 hours in advance to request accommodations.*

A. CALL TO ORDER/ROLL CALL

B. PLEDGE OF ALLEGIANCE

C. DISCUSSION

1. Presentation of the Preliminary Fiscal Year 2013/2014 Budget Tab 1
 - 1a. Commission Discussion of the Presented Preliminary Fiscal Year 2013/2014 Budget
 2. Commission Action on Proposed Fiscal Year 2013-2014 Annual Budget
 - 2a. Setting the next Budget Workshop Date Tab 2a
 - 2b. Setting the "Current Year Proposed Operating Millage Rate" and Setting the "First Public Budget Hearing" Date, Time, and Place Tab 2b

D. PUBLIC COMMENT

This time is provided for audience members to address items related to the Fiscal Year 2013/2014 Budget. Please complete a comment card and provide it to the Town Clerk so speakers may be announced. Please remember comments are limited to a TOTAL of three minutes.

E. ADJOURNMENT

Next Scheduled Regular Commission Meeting will be held on Wednesday, August 7, 2013

July 10, 2013

Honorable Mayor, Vice-Mayor, Commissioners
and Residents of the Town of Lake Park

RE: Tentative Fiscal Year 2013-2014 Operating Budget

Dear Members of the Town Commission and Residents of Lake Park:

In accordance with Chapter 2, Article III, Section 2-82 (3) of the Lake Park Code of Ordinances, enclosed is an outline of the tentative fiscal year 2013-2014 operating budget. This tentative budget document contains an early estimate of the anticipated revenue and expenditure statistics which will be presented during the budget workshop meeting of July 17, 2013. All of these amounts are preliminary in nature and are being presented as the starting point for discussion with the Commission during the two workshop meetings to be held in July and August. Upon completion of those workshop meetings, and based upon the input from the members of the Commission and the public, the Town staff and I will complete our final calculations such that we will present a final recommended budget for the 2013-2014 fiscal year. The final proposed budget (to be released at the end of August) is the document that will be used going into the two formal public hearings scheduled during the month of September.

Last year at this time I reported to the Town Commission that property values in the Town of Lake Park, as established by the Palm Beach County Property Appraiser, had continued to decrease for the fourth year in a row. Last year's valuation decrease over the prior year was -3.55%. This was a continuing trend going back to 2009. From 2009 through 2012, the Town's assessed value plummeted by more than 35%; losing close to \$2,400,000 in annual property tax receipts available for use in the General Fund. Going into the new budget year we seem to have a bit of encouraging news. We have been advised by the Property Appraiser's Office that the estimated value of property in the Town of Lake Park has increased slightly year-over-year. Last year the total taxable value of all property in the Town of Lake Park (certified as of October 10, 2012) was \$431,159,683.00. For the next fiscal year, it is estimated (as of June 1, 2013) that the total taxable value of all property in the Town of Lake Park will be \$443,554,089.00, an increase of \$12,394,406.00 in taxable value. For the first time in 5 years we can report that our taxable values have actually increased by 2.89% over the prior year. At the current millage rate of 8.5 mils, this increase in value would result in \$64,110.00 of additional revenue to the General Fund. It appears that the housing market has finally reached a bottom in the Town of Lake Park and that future assessed values may begin to rise.

Presenting a Balanced Budget

This preliminary budget is being presented to the Town Commission with all funds being balanced. That does not, however, mean that the picture is completely rosy. The effort to balance all of the funds has not come without some difficult decisions. Let's start with the most difficult fund of all: the Marina Fund. The current budget year (2012-2013) was quite an easy year to budget for the Marina Fund in that the 2012-2013 budget year saw an infusion of \$880,000.00 of cash from the settlement proceeds of the Marina lawsuit. Of the \$880,000.00 of one-time cash coming into the Marina Fund, \$391,124.00 of those proceeds were used to establish a balanced budget. The 2012-2013 balanced budget in the Marina Fund included a \$100,000.00 set-aside for Marina deficiency repairs (although the ultimate cost for the final seawall repairs are still unknown at this time), a \$100,000.00 Administrative Fee charged to the Marina Fund by the General Fund, and an outright \$10,000.00 transfer to the General Fund (an historical practice which seems to have no actual basis for why such a transfer was ever set up). In essence, with the \$880,000.00 proceeds from the lawsuit settlement, the Marina Fund set aside some construction dollars, but also underwrote the General Fund to the tune of \$110,000.00. After all of the budgeted transfers and after any deficiency repair expenses in the current budget year, the Marina Fund will finish the 2012-2013 fiscal year with approximately \$419,084.00 in unexpended cash.

For the upcoming 2013-2014 budget year, there will be no one-time infusion of new cash to help balance the Marina Fund. Therefore, in the Marina Fund, after all of the revenues have been projected and all of the expenses have been projected we find that the anticipated expenses exceed the anticipated revenues by \$68,788.00 and therefore, in order to present a balanced budget, the Marina Fund will need to rely on the General Fund to make up that difference. This budget proposal includes a transfer of \$68,788.00 from the General Fund to the Marina Fund. This is due to the fact that the Marina operation is still not profitable. As was shared with the Commission in an earlier report it looks as though the Marina operation is headed in the right direction. That is, occupancy rates are trending upward and revenues continue to increase. However, it will be at least another year before revenues get close to outpacing expenses. Rather than having the Marina Fund support the General Fund (as it has done this past year with the infusion of a portion of the lawsuit settlement proceeds), the General Fund will once again have to support the Marina Fund. However, within this proposed budget, and with the transfer of \$68,788.00 from the General Fund, the Marina Fund will be in balance.

The General Fund is the next fund which has not been easy to balance. But it has been balanced with two specific assumptions made on my part. First is the assumption that the Town Commission will take an action during the current fiscal year (2012-2013) to forgive the debt owed by the Marina Fund both to the General Fund and the Sanitation Fund. The second assumption on my part is that the Town Commission will approve a General Fund millage rate of 8.90 mils (compared to the current 8.5 mils). Each of these assumptions is explained in greater detail on the following pages.

Assumptions for Presenting a Balanced Budget

Forgiveness of Debt

The Marina Fund owes the General Fund \$2,480,000.00 and it owes the Sanitation Fund \$400,000.00. These amounts, for the most part, were the funds that were used to cover the costs for bringing the lawsuit against the various contractors who undertook the most recent construction at the Marina. Unfortunately, hindsight is 20-20, and here in 2013 we can now see that it did not make much sense to spend nearly \$2.5 million dollars on attorneys and expert witnesses, only to settle the lawsuit for \$880,000.00. But that being said, the Marina Fund still owes these amounts to both the General Fund and the Sanitation Fund. It is unlikely that the Marina Fund will be able to pay these obligations back any time soon. It will only be able to do so once the Marina operation becomes profitable. In the meantime, because that debt is outstanding (Marina to General Fund and Sanitation Fund), the external auditors have continued to report that the outstanding debt of the Marina Fund and its relationship to the General Fund have put a cloud over both funds, and although the law has recently changed, keeping that outstanding debt on the books could potentially put the Town in a State of Financial Emergency according to section 218.503(1)(e), Florida Statutes. In addition, because of this outstanding debt, the General Fund cannot report most of its cash balance as being available as an “unrestricted” reserve (but for \$20,643.00 identified in the most recent CAFR). Instead, virtually all available cash in the General Fund’s “rainy day” account is reported as being “restricted” as it needs to be available to cover the obligation (outstanding debt) of the Marina Fund to the General Fund.

Last year at this time, it was recommended that the Town Commission take an action to forgive the debt of the Marina to both the General Fund and to the Sanitation Fund. According to the external auditor, doing so would help the financial picture of the Marina Fund, the General Fund, and the Sanitation Fund. It would eliminate the audit comment of the Town potentially being in a Condition of Financial Emergency and it would also free up “restricted” reserves in the General Fund which could be used to balance any shortfall in revenues compared to expenses. A copy of the most recent recommendation from the external auditor about the advisability of the Town Commission approving a forgiveness of debt by the General Fund and the Sanitation Fund to the Marina Fund will go a long way in helping to clear up the Town’s financial picture. With the presentation of the proposed budget, I am making an assumption that the Town Commission will approve the forgiveness of debt owed by the Marina Fund to the General Fund and to the Sanitation Fund during the current fiscal year (2012-2013) such that we will have a much cleaner balance sheet going into the proposed budget year. Once the debt forgiveness is accomplished, the General Fund can use some of its unrestricted reserves to balance the various operating funds that need help this next fiscal year.

If approved by the Town Commission, once the debt is forgiven, the General Fund will need to transfer \$70,648.00 from its unrestricted reserves to bring the 2013-2014 budget into balance. The fiscal year must begin with the General Fund being

balanced. However, even with the infusion of cash from the unrestricted reserves, the General Fund will be balanced with a very small contingency line item of just \$25,000.00.

Millage Rate

It is my recommendation that for the 2013-2014 fiscal year that the Town Commission adopt a General Fund millage rate of 8.90 mils (compared to the current 8.50 mils). Adjusting the millage rate to 8.90 mils will raise an additional \$159,084.00 for the General Fund and will also be used to balance the budget as presented. This additional \$159,084 in proposed new revenue will be in addition to the \$70,648.00 taken from unrestricted reserves (after the forgiveness of the Marina Debt) to balance the General Fund.

While no one likes to have the millage rate increased, there are four (4) very clear-cut reasons why the millage rate is being recommended to be set at 8.90 mils (those reasons are outlined in the next section appearing after the chart below). Before such a decision is made, one might want to know what impact this recommendation will have on the taxes paid by Lake Park residential property owners. Below is a chart which outlines the impact of setting a millage rate at 8.90 mils:

**Town of Lake Park
FISCAL YEAR 2013-2014
Analysis of Adjusting the Property Tax Millage Rate**

<u>Residential Units</u>		<u>Assessed Value</u> including homestead exemptions		<u>Lake Park</u> <u>Property Taxes</u> at the highest value in the range		<u>Maximum Difference between Rates</u>
		From	To	8.50 mils	8.90 mils	
Units*	Cumulative					
494	13.84%	\$ -	\$ 25,000	\$ 212.50	\$ 222.50	\$ 10.00
1,967	68.95%	\$ 25,001	\$ 50,000	\$ 425.00	\$ 445.00	\$ 20.00
406	80.33%	\$ 50,001	\$ 75,000	\$ 637.50	\$ 667.50	\$ 30.00
564	96.13%	\$ 75,001	\$ 100,000	\$ 850.00	\$ 890.00	\$ 40.00
125	99.64%	\$ 100,001	\$ 125,000	\$ 1,062.50	\$ 1,112.50	\$ 50.00
9	99.89%	\$ 125,001	\$ 150,000	\$ 1,275.00	\$ 1,335.00	\$ 60.00
3	99.97%	\$ 150,001	\$ 175,000	\$ 1,487.50	\$ 1,557.50	\$ 70.00
0	99.97%	\$ 175,001	\$ 200,000	\$ 1,700.00	\$ 1,780.00	\$ 80.00
1	100.00%	\$ 200,001	Over			

3,569

* Taken from the 2012 Property Tax Rolls

Therefore, one can see that if a millage rate of 8.90 mils is adopted by the Town Commission, 494 residential units in Town will pay up to a total of \$10.00 more in local taxes in the next fiscal year. 1,967 residential units in Town will pay up to a total of \$20.00 more in local taxes in the next fiscal year. 406 residential units will pay up to a total of \$30.00 more in local taxes in the next fiscal year, and 564 residential units will pay up to a total of \$40.00 more in local taxes in the next fiscal year. As is very clear from the chart above, with a millage rate set at 8.90 mils, 99.64% of the residential units in town will pay \$50.00 or less in the next fiscal year for all of the services outlined in this proposed budget.

Why a Millage Rate Increase is Necessary

The first reason for the need to raise an additional \$159,084.00 in ad valorem revenue (with a millage rate of 8.90 mils) is because the annual cost for engaging the Palm Beach County Sheriff's office has increased by \$51,574.00 over the prior year. Included as an exhibit to this budget message is a letter from PBSO advising us that their charge to us for police services next fiscal year will be increased by 2% over the current year.

The second reason for the need to raise the additional ad valorem revenue is because the annual cost for engaging Palm Beach County Fire Rescue has increased by \$59,529.00 over the prior year. Included as an exhibit to this budget message is a letter from PBC/FR advising us that their charge to us for fire/rescue services next fiscal year will be increased by 2.3% over the current year.

The third reason for the need to raise the additional ad valorem revenue is because of the previously mentioned \$68,788.00 shortfall in revenues over expenditures at the Marina. This will need to be a contribution from the General Fund to the Marina Fund to ensure that their budget is balanced.

Finally, it is anticipated that the Town's insurance costs will be going up fairly significantly, with employee health insurance costs increasing by approximately \$27,230.00 over the prior year and property/casualty insurance costs increasing approximately \$16,450.00 year-over year.

Just these four items alone account for an additional expense of approximately \$223,571.00 in the General Fund over the prior year and that is why it is my recommendation to adjust the ad valorem millage rate from 8.50 mils to 8.90 mils. Obviously, raising the millage rate to 8.90 mils (which adds \$159,084.00 in new General Fund revenue) does not even cover the increased cost of the four items listed above. So any additional expenses over and above the \$159,084.00 of new revenues from a millage rate of 8.90 are covered by a combination of further cuts in operating expenses in other departments and transferring funds from the General Fund fund balance.

Budget Philosophy

Since four of the five members of the Town Commission are newly elected members of our governing body, I believe it is important that I share with the members of the Town Commission, once again, my approach and philosophy regarding municipal budgeting. In my way of thinking, any organization's budget document is nothing more than a **plan**. It is a plan for what the organization anticipates it will receive in revenues, and it is a plan for what the organization anticipates it will spend on providing services to its resident/customers. An operating budget is not an exact checklist of actions that are to start on October 1st of this year and finish on September 30, 2014 (a full 14+ months from now). Therefore, while I believe that our budget needs to be in balance at the beginning of the fiscal year, and it must stay in a non-deficit state throughout the year, I do not believe that the budget needs to be so rigid as to be "set in stone" effective October 1, 2013. I would like our budget to remain flexible and fluid throughout the year. And the budget plan can, and should be monitored throughout the year by members of the Commission, the staff of the Finance Department, my office, and the public if they are so inclined. One way of doing that is by reviewing our monthly Revenue and Expenditure Report which is published each month by the Finance Department. We can also follow the pattern that we followed during the current fiscal year where during the month of February of next year we should take a formal look to see how well we are following our "plan" and if need be, we can do a mid-year adjustment to the plan in April of 2014.

Changes to Personnel in the Recommended Budget

This next year will, hopefully, be a watershed year compared to the last four years of our annual budget process. Over those last four years a number of decisions had to be made that impacted all of our employees. First, the Town has not given any pay raises nor a cost of living adjustment during the last four years. Second, during the prior two fiscal years (2009-2010 and 2010-2011), employees had to take furlough days (a practice which was eliminated during the current budget year). Also, during the current budget year, there was the elimination of three full time positions and a series of layoffs (and bumping) occurred in the Public Works Department. Lastly, the Town has not made a matching pension contribution for any of our employees over the last three years.

This recommended budget does not offer any salary increases nor does it offer cost of living adjustments for our employees. On the other hand, it does not recommend any furlough days nor any layoffs as was done over the past two years. It does, however, include enough funds to reinstate a 2.5% match to employee voluntary pension contributions. That is, if an employee makes a voluntary payroll contribution into their 457 pension fund account, the Town will match that contribution up to 2.5%. The cost of doing so would be approximately \$21,997.00 to the General Fund and approximately \$13,667.00 to the Enterprise Funds.

The recommended budget also has three personnel changes which are recommended as improvements to our operations. First, it is recommended that the part-time Planner in the Community Development Department be moved into a full-time

position. This is a result of the desire of the Town Commission to have the staff do more planning (master planning in the Western and Eastern corridors, as well as roadway and transportation planning throughout the community). The Planner is currently working 30 hours per week and this recommended change will put her at 40 hours per week. The total cost to the General Fund for moving the Planner from part-time to full-time is \$20,275.00.

The recommended budget also includes moving a part-time dock attendant to full-time (and eliminating one of the part-time positions). This is a result of our desire to have better coverage at the Marina (three full-time employees and two part-time employees as opposed to two full-time employees and three part-time employees). Moving one of our part-time employees to full time will give us an opportunity to concentrate more on promotional programs for bringing folks down to the Marina, event planning, marketing, and safety inspections. Since this personnel change adds just a few hours to one existing part-time employee (making him a full-time employee) and eliminates another part-time employee, the net cost to the Marina Fund operations is just \$6,602.00.

The final change to the budget is an administrative change with an assignment to an existing position. At present, there is not a second-in-command formally designated behind the Town Manager. This is a critical issue, especially as it relates to emergency preparedness and our response to any emergency which may occur in Town. Should the Town Manager (Incident Commander) not be available during any emergency event, it is important to have someone designated, in advance, to step right in and take responsibility for the overall response. To that end, I am asking the Town Commission to modify the duties and responsibilities of the Town Clerk to also serve in the role of Deputy Town Manager. This does not create a new position within the organizational structure, but rather assigns the additional duties of Deputy Town Manager to the Town Clerk. This is an assignment which is compensated with an additional 5% in pay. In this case, that would equate to an annual expense of \$2,875.00.

Initiatives During the Coming Year

Most of the operating departments submitted a number of initiatives that they would like to have funded; if money was available. However, since funds are extremely tight, just four initiatives are actually being funded in the recommended budget. (For an outline of all of the initiatives requested by the departments, but left unfunded in the recommended budget, please see the attached exhibit).

The four initiatives include the previously outlined personnel changes (part-time to full-time planner, part-time to full-time dock attendant, and title change/assignment for the Town Clerk). The only other funded initiative is a replacement program for the 7 year old computers in all of the offices of Town Hall. An allocation of \$20,000.00 has been put into the Information Technology Department budget to replace 20 desktop computers.

An Area for Further Scrutiny

One area that should receive some additional scrutiny as the 2013-2014 budget year rolls out is the Town's Recreation Department. At present, we are spending nearly \$185,000.00 per year running a recreation program that, quite frankly, does not seem to be delivering much value for the money spent. There have been some successes this past year, including the annual holiday ceremony on the Town Green and a few instructor led classes. We do run a tennis program that only loses a little more than it takes in. Unfortunately, most of the rest of the programs either have failed to generate adequate participants, or have created a situation where the taxpayers of Lake Park are actually subsidizing a small group of individuals (some of whom are not even Lake Park residents). Our summer camp program generates approximately \$10,000.00 in revenue, but costs us more than \$30,000.00 to operate (and nearly half of the children taking advantage of the summer camp program live in other communities). Most of our year-round recreational programming has been cancelled (for lack of participants) or never got off of the ground (because there were not enough folks to support the launch of a new program).

To that end, the Town Commission may want to consider how the Recreation Department is structured. We may want to go to an exclusive event-based program where we just schedule for-profit type events; or we may want to think about dropping the recreation programming altogether. It is my opinion that our recreation programming has not been successful not because of a lack of effort on the part of Town staff. Our staff has worked tirelessly to provide a variety of different recreational opportunities. It could just be that a true Community Recreation program in a community such as the Town of Lake Park will not work because of the make-up and the particular needs of our citizenry.

Streets & Roads Fund/Stormwater Fund/Sanitation Fund

These three funds are stand-alone funds which have their own funding source and their own separate expenses. Each of these funds will remain relatively unchanged during the upcoming fiscal year. That is, there are no new initiatives, nor any modifications to staffing and it is my recommendation that rates remain the same year-over-year. That being said, there are two expenses within the Sanitation Fund which need to be brought to the attention of the Town Commission.

First, in order to balance the Sanitation Fund, we have reduced the amount of "contribution" from the Sanitation Fund to the General Fund by \$50,000.00 over the prior year. Second, in an effort to further balance the Sanitation Fund, we reduced the Administrative Fee charged by the General Fund to the Sanitation Fund by \$28,135.00. Each of these reductions in costs to the Sanitation Fund were done in an effort to provide better clarity (truer cost accounting) and transparency for operating the Sanitation Fund; but together, these two modifications in Sanitation Fund expenses have reduced income to the General Fund by \$78,135.00.

Finally, there are no capital improvements planned in any of these three funds during the upcoming budget year. The Town Commission may want to begin to think about future capital improvement projects within each of these distinct funds. The Commission may want to see major road repairs made, increased stormwater control throughout the Town, and will clearly need to consider the idea of beginning to replace an aging fleet of sanitation vehicles. All of these funds are supported by user taxes and user fees. Therefore, in order to do any capital improvements, an enhanced source of funding will have to be identified in upcoming years.

Marina Fund

For the most part, the budget document displays our intent with the Marina Fund. As previously mentioned, revenues are not strong enough to cover expenses; however the trend is encouraging and it is anticipated that in succeeding budget years the Marina will finally be able to stand on its own.

Community Redevelopment Agency

During this next budget year, the Community Redevelopment Agency is being funded nearly the same as it was funded during the prior fiscal year. That is, there are minimal staff expenses being assigned to the CRA budget (except that 15% of the Administrative Assistant to the Town Manager is being charged as an expense to the CRA). Most of the expenses associated with the CRA budget are to cover insurance, maintenance, utilities, and contract landscaping services. The CRA budget will be presented to the Town Commission as a separate and distinct budget.

Debt Service

With the proposed budget, as it is being presented herein, all debt service payments will be made in full and made on a timely basis.

Summary

As best we can, we have gone over each line item in each departmental budget, and we have reduced anticipated expenses either by deferring some maintenance on equipment and infrastructure for the next year or outright reducing expenditures. For example, I have reduced the request for purchase of library materials made by the Library Director by \$10,000.00. While deferring maintenance on equipment and infrastructure is never a healthy thing, part of this next budget year will be to assess just how much maintenance deferral we have chosen to take over the past few years. I plan to report that information out to the Commission during this next year so that we do not lose track of just how far we have possibly fallen behind on this issue.

We still have quite a bit of work to do and I look forward to working with the Town Commission on the completion of the budget process over the next few months. This budget proposal has come with some very specific recommendations on my part. Of course, I am always open to other ways of thinking and to any creative ideas which could improve upon what is contained within this document.

I would like to conclude with a few words of thanks to Blake Rane, Finance Director, all of the department heads who met with me during the budget preparation time to try to work through their portion of this document, and all of the Town staff who, day in and day out, continue to work hard and who do the right thing for the citizens of the Town of Lake Park. Without their efforts, my job would be impossible.

Respectfully submitted,

Dale S. Sugerman, Ph.D.
Town Manager

July 3, 2013

Mr. Blake K. Rane
Finance Director
Town of Lake Park
535 Park Avenue
Lake Park, Fl 33403

Dear Mr. Rane:

This letter is in response to your request that we comment on the advisability and process of the Town's General Fund and Sanitation Fund forgiving the debt owed by the Marina Fund. At September 30, 2012, the Marina fund owed \$2,480,000 to the General Fund and \$400,000 to the Sanitation Fund. Also at September 30, 2012 the Marina Fund had deficit unrestricted net assets of \$2,924,454.

There are no reasons under generally accepted accounting principles or auditing standards that would prohibit the Town from forgiving the debt. Ultimately the final decision to forgive the debt would require the approval of the Town Commission and consultation with the Town's attorney. If approved the General Fund and the Sanitation Fund would record transfers out and the Marina Fund would record a transfer in for the debt forgiveness.

The attached schedules I and II, show what affect the forgiveness would have had on the individual and total funds if it had been done as of September 30, 2012. As shown on this schedule the positive affect on the Marina Fund overshadows the negative effects on the General and Sanitation Funds. The forgiveness of the debt would not have any effect on the unassigned fund balance of the General Fund and the unrestricted net assets of the Sanitation Fund is still positive.

The assets of both the General Fund and Sanitation Fund would decrease by the amount of debt forgiven, but since it is unlikely that the Marina Fund would have sufficient income or cash flows to repay this debt in the near future one could make an argument that the adjusted numbers are a more accurate reflection of the true financial condition of the Town. The adjusted numbers also lead to financial statements that are less complex and are more easily understandable by the average reader. The net assets of the Marina Fund would go from a negative \$2,924,454 to a negative \$44,454, which might help in securing grant funding in the future. In future years, if the Marina Fund operations generate a surplus, the Town could repay the funds through an interfund transfer.

As you are aware, in the 2010 and the 2011 audits the deficit unrestricted net assets in the Marina fund met the criteria of a Condition of a Financial Emergency according to section 218.503(1)(e), Florida Statutes. If this debt had been forgiven in fiscal year 2010 or 2011, the Town would not have met a Condition of a Financial Emergency according to section 218.503(1)(e), Florida Statutes and there would not have been a comment in the management letter concerning this. For fiscal year 2012, the State Legislature changed the definition of Financial Emergency, such that deficit net assets are no longer considered a condition. However, the large deficit in unrestricted net assets is the most significant factor in determining that the Marina Fund is in a deteriorating financial condition as reported in our Management Letter for 2012.

Please let us know if you would like to discuss this in more detail or need additional information.

Sincerely,

A handwritten signature in black ink, appearing to read "Terry J. Monte". The signature is written in a cursive, flowing style.

Nowlen, Holt & Miner, P.A.

Town of Lake Park
James DuBois, Mayor
535 Park Avenue
Lake Park, Florida 33403

Dear Mayor DuBois:

The Palm Beach County Sheriff's Office adjustments for the Town of Lake Park Law Enforcement Service Agreement renewal have been under careful consideration. For the past two (2) years, the Sheriff was able to afford no increase, however, this year there will be a 2% increase for 10/01/13 – 09/30/14. We will be contacting you to schedule a meeting to further discuss the particulars of the contract.

A ninth addendum will be submitted with the renewal dates and the adjusted rate for signature prior to expiration of the eighth addendum.

Sincerely,

Major Dan Smith

Dale S. Sugerman, Ph.D., Town Manager
Town of Lake Park
535 Park Avenue
Lake Park, FL 33403

Dear Mr. Sugerman, Ph.D.:

Based on the July 1 property values, Palm Beach County Fire Rescue has submitted a proposed millage rate of **3.4581** for FY 2014. This rate is **2.77% over** roll-back. The Board of County Commissioners (BCC) will consider this proposal at their July 16th budget workshop and will authorize a rate to be submitted to the Palm Beach County Property Appraiser. The BCC will consider and adopt a final millage rate during the budget public hearings on September 9th and 23th.

Please contact me if you have any questions or need additional information.

Sincerely,

A handwritten signature in blue ink, which appears to read "Michael Martz".

INITIATIVES REQUESTED
BUT NOT FUNDED

**Town of Lake Park
Schedule of Unfunded Departmental Initiatives
Proposed Budget 2013/14**

Estimated Cost

Human Resources	
Employee Health Clinic	
Enter into a Memorandum of Understanding or similar agreement with the City of Palm Beach Gardens, for use of its employee health clinic	
*Approximate cost of \$3,559 per month x 12 months, plus supplies to be charged on a per usage basis as quoted by the City of Palm Beach Gardens	
Total HR Initiatives	\$ 42,708

Information Technology	
Emergency Operation Center	11,357
Place a server at Fire Station 68 for EOC/Disaster Recovery	
Upgraded Servers	9,387
To upgraded servers to Exchange 2012 and Server 2008-R2 from 2003 (To be able to communicate with EOC server)	
Internet	
Comcast Internet to communicate from EOC to Town Hall servers (Microsoft will not support XP after 2014)	1,200
Paperless Agenda	
Establish i-pads for Senior Staff (Director level)	5,800
Total IT Initiatives	\$ 27,744

Finance	
Remodeling and Citizen Engagement	
Open a cashier window from the Finance offices directly into the front entryway. While this project has some technical elements it should be able to be accomplished with a minimum of inconvenience to the public.	
The project is intended to enhance the appearance of the main entryway into Town Hall and to give Town Hall visitors a human face to guide them to the appropriate individual or department within Town Hall.	
Total Finance Initiatives	\$ 35,000

**Town of Lake Park
Schedule of Unfunded Departmental Initiatives
Proposed Budget 2013/14**

Estimated Cost

Community Development	
Design Consultant for Mixed-Use Zoning (Federal Hwy Corridor Initiative)	\$ 20,000
In addition to the in-house proposal of a Mixed-Use Zoning District, a distinct set of design guidelines created by a certified design professional would enhance Staff's current initiatives.	
10th St Improvements	
Phase 1: Typical Section/Study from Simmons & White or other Engineering Firm;	TBD
Phase 2: Design; Phase 3 Construction	
Park Ave Extension	
Palm Beach County (PBC) will submit design plans to the Town in July 2013 for review and once approved will bring to their Board of County Commissioners (BCC) for approval onto their 5-year plan; County will construct the project; Town will own and maintain in perpetuity the road and drainage facilities once they are constructed and accepted; Town will provide or cause to provide all necessary ROW & easements for entire road segment at no cost to County (including property not currently owned by Town [developer property]); Town will provide or cause to provide all necessary property and easements needed for drainage facilities for the entire road segment at no cost to the County (including developer property)	TBD
Annexation	
Study; Public meetings; Legal Review; Referendum at a scheduled election or special election	TBD
Total Com. Dev Initiatives	TBD

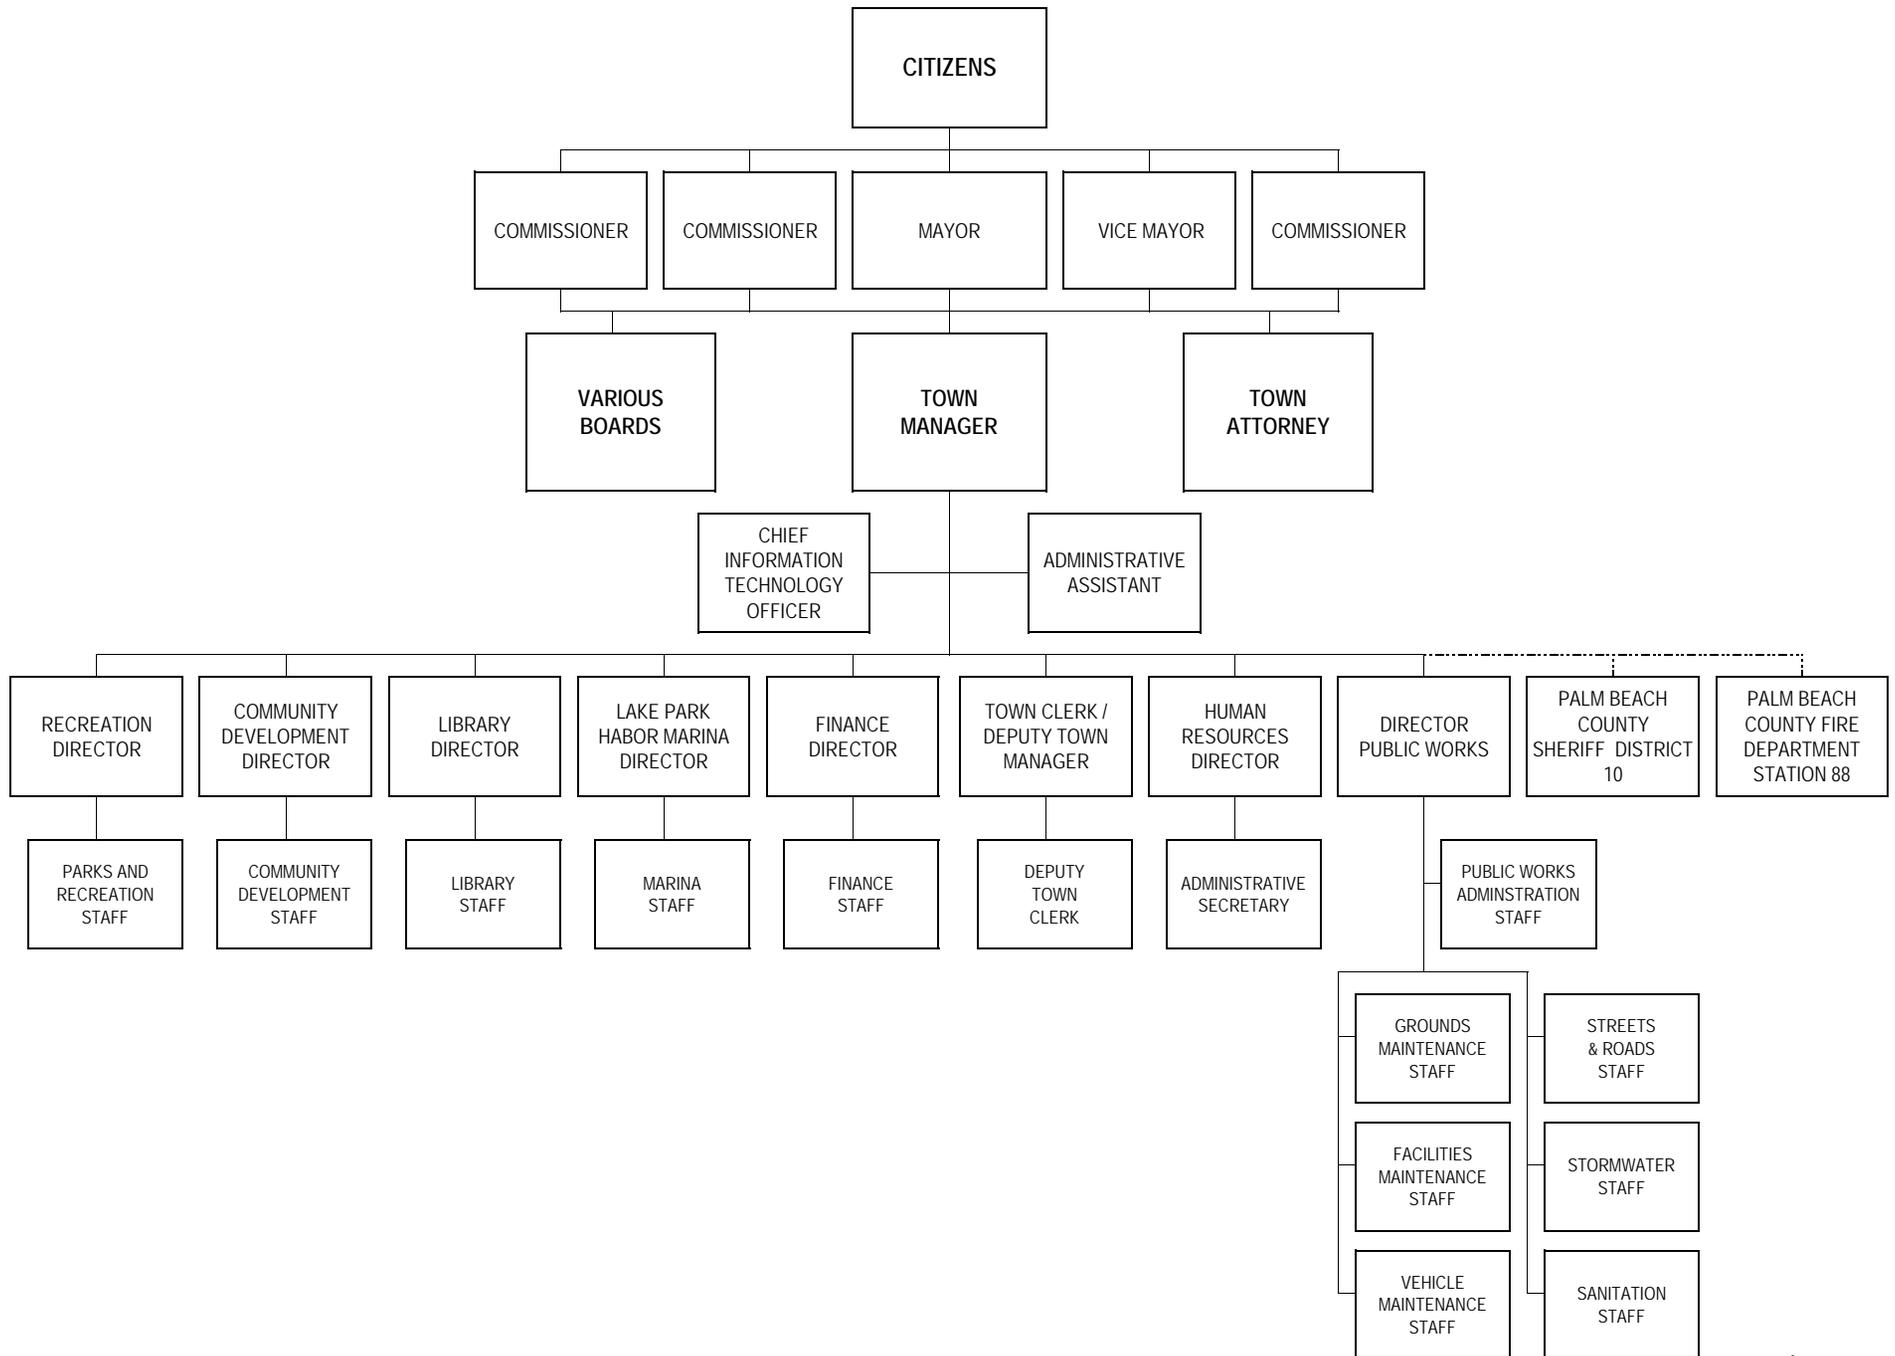

**Town of Lake Park
Schedule of Unfunded Departmental Initiatives
Proposed Budget 2013/14**

Estimated Cost

Library	
Add three PT employees	
Two part time Library Assistants devoted to circulation desk in am and pm (with other associated duties)	\$ 22,714
Part time (quarter) Technical Assistant devoted to media maintenance and other required special technical projects. The objective is to improve efficiency, customer service and expand programs in response to changing/new customer demands. The short term outcome is improved staff efficiency, higher productivity and customer loyalty. Long term outcome includes increase in Library support/donations.	7,806
Library renovation	
Add a smaller circulation desk and reuse current desk as a customer media center	6,000
Additional seating to accompany increased shelf area	5,000
Indirect and direct lighting	40,000
Replace large book shelves with smaller, more accessible American Disabilities Act compliant shelves	50,000
The objective is to improve main Library reading area to better suit customer needs. Improving lighting will also reduce energy costs in the long term.	
Total Library Initiatives	\$ 131,520

Sanitation	
Renovate Two Packers	
Rebuild the hydraulics and paint the body of Veh. # 43, 2004, commercial front loader	45,000
Rebuild the hydraulics and paint the body of Veh. # 48, 2006, residential side loader	45,000
Rather than replace the two units that are approaching the end of their wear cycle at a cost of \$250,000 each, rebuild heavy wear items and repaint the bodies that are starting to rust. This should extend the life expectancy of each vehicle by about 3 years.	
Total Sanitation Initiatives	\$ 90,000

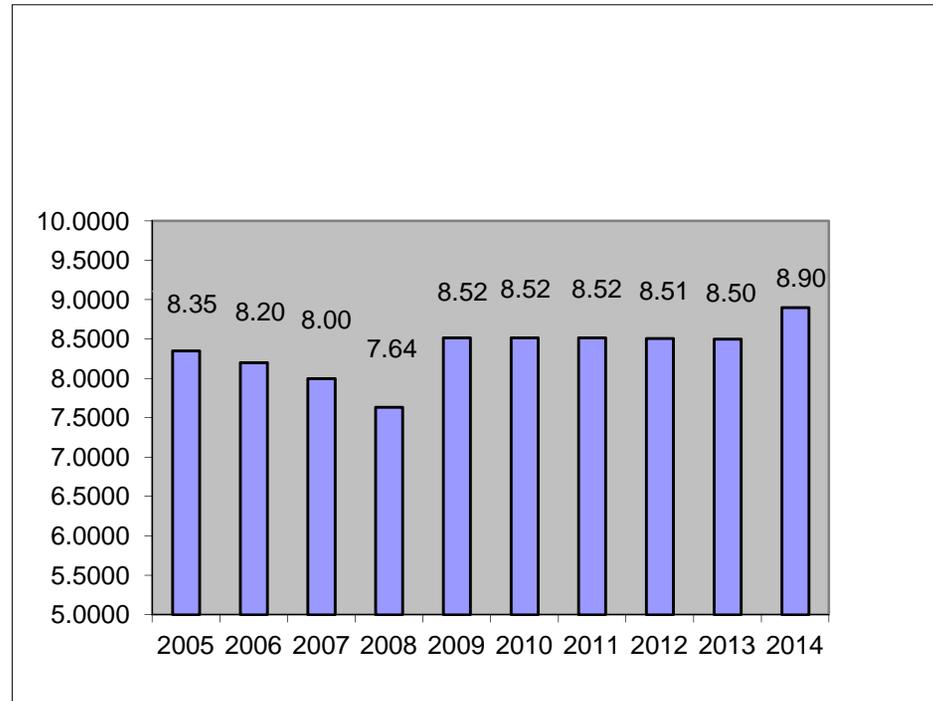

Total Unfunded Initiatives for FY 2014 Proposed Budget	<u>\$ 326,972</u>

TOWN OF LAKE PARK - ANNUAL BUDGET
TOWN MANAGER (GF 104)
DEPARTMENTAL METRICS, FUNCTIONS, & PERFORMANCE MEASURES
FISCAL YEAR 2013-14

Departmental Metrics

At present, the Office of the Town Manager does not keep any departmental metrics. Instead, the Town Manager's performance is reviewed by each of the elected officials during a public session. Please see the Performance Measures section below for an explanation of this.

Functions

The Town Manager's chief obligation is to provide quality of life services to the Town's 8,248 residents in an effective, efficient and transparent manner. According to the Town Charter, the Manager also implements policy decisions at the direction of the Commission, directs the Town's daily activities, prepares and oversees the Town's annual budget, and supervises the Town's employees and departments.

The Town Manager also serves as the Executive Director of the Town's Community Redevelopment Agency (CRA), and fosters an environment that encourages economic growth and development throughout the Town.

Performance Measures

In June of each year, the Town Commission conducts a performance evaluation of the Town Manager. A variety of factors are rated on a 5 point scale, including Management Style/Professional Skills, Fiscal Management, Personal Skills/Communications, Relations with the Town Commission, and Community Relations. Copies of all past performance measure scores completed by the Town Commission for the Town Manager are available upon request through the Office of the Town Clerk.

TOWN OF LAKE PARK - ANNUAL BUDGET
HUMAN RESOURCES (GF 105)
DEPARTMENTAL METRICS, FUNCTIONS, & PERFORMANCE MEASURES
FISCAL YEAR 2013-14

The goal of the Human Resources Department is to support the Town's mission by creating an environment to help promote the efficient and effective delivery of municipal services to the Town by its employees. Among this department's major responsibilities are the following:

- ▶ Human Resource Planning
- ▶ Human Resource Policy Development
- ▶ Employee Training and Development
- ▶ Employee Classification and Compensation
- ▶ Employee Benefit Planning
- ▶ Labor Relations
- ▶ Risk Management

In terms of the efficient delivery of departmental services, the departmental responsibilities outlined above have been carried out in a cost-effective and timely manner which has been within the departmental budget established for Fiscal Year 2013 (only 44 percent of the departmental Fiscal Year 2013 budget had been encumbered as of March 31, 2013). For example, in the summer of 2012 the update of the Handbook of Procedures and Policies for Employees of the Town of Lake Park (Employee Handbook) was completed internally by staff thereby saving the Town the expense of hiring outside counsel.

The Human Resources Department has established an ongoing program of employee training focusing on compliance issues as well as training in basic First Aid, CPR and AED heartsaver certification training in the use of external defibrillators which have been installed in several Town Departments.

Employee wellness is also promoted by this department by encouraging employees to utilize the online employee wellness benefits, which include a fitness reimbursement program in which several area gyms participate, and which are available to covered employees and their covered spouses through our medical insurance provider, United Healthcare, in an effort to help reduce health insurance costs to the Town.

The Human Resources Department has also instituted a program of annual facility inspections conducted by the Florida League of Cities in order to help ensure a safe and healthy working environment for Town employees and customers. The Human Resources Department and the Public Works Department have worked together in establishing a workplace safety training program for Town employees which has decreased the number of workplace accidents and worker's compensation claims.

The Human Resources Department has sought to provide a high caliber of services to the Town as an organization, and to its employees regarding employee benefits and other employment-related matters in a manner that has been both accurate and timely. The Human Resources Department is also currently in the process of initiating an employee job satisfaction survey to identify employees' needs in terms of job satisfaction and engagement and develop strategies for improvement to be undertaken in Fiscal Year 2013.

TOWN OF LAKE PARK - ANNUAL BUDGET
TOWN CLERK (GF 106)
DEPARTMENTAL METRICS, FUNCTIONS, & PERFORMANCE MEASURES
FISCAL YEAR 2013-14

The Town Clerk provides quality customer service to all Town customers and residents. The Clerk is the Town's chief records custodian, and protects and preserves all official records and documents, such as Ordinances, Resolutions, Commission and Board minutes, contracts and agreements. The Clerk is the Financial Disclosure Coordinator with the Florida Commission on Ethics, the Records Management Liaison to the Florida Department of State, along with coordinating all primary, general and special Town elections as the Municipal Supervisor of Elections. The Clerk's Office also disseminates information about legislative decisions and policy issues. The Town Clerk is the administrator of all Town elections, and follows the Palm Beach County Supervisor of Elections for election dates and distributing candidate packages to overseeing ballots and administering the oath of office. The Clerk is also the custodian of the Town Seal and provides notary services.

INFORMATION TECHNOLOGY (GF 110)
DEPARTMENTAL METRICS, FUNCTIONS, & PERFORMANCE MEASURES
FISCAL YEAR 2013-14

The Information Technology Department serves other Town departments through a series of services that includes integrating computer systems, coordinating and providing training, technology assistance and support. The department creates the technological environment that enables Town employees to quickly access vital information using the most efficient and cost effective system hardware and software. The department provides leadership as an active partner in the regional telecommunications and data-sharing network.

Services

Town Hall, Public Works, Library, Recreation, Marina and future EOC Disaster Recovery site:

- **Data:** The use of computers and networks to store, process and receive data
- **Computer systems and applications:**
The development, installation, and implementation of computer systems and applications (IMS for Building Department, Ink force for Code Compliance system, ADG for Finance, future GIS for Community Development Department and Microsoft Exchange and Emails Protection System [EMPS], Dockmaster for Marina); also, public access computers located at Library with free Wi-Fi at Library and Marina
- **Hardware/Software/Printing/Scanning and Facsimile:**
The support and management of computer, peripherals, and software (Virus and Malware Protection).
- **Network and Back-up:** Virtualization Servers
(Town Hall, Public Works, Recreation, Marina and future EOC server as Disaster Recovery site).
- **Voice support:** Management and Maintenance of the telephones (Landlines and Cellular)
- **Security systems:** CCTV systems throughout the Town to provide live information to the Palm Beach County Sheriff's Office District 110
- **Communications:** LPTV channel 18 thru Comcast for the Town Meetings Live and Re-Broadcast within the Town boundaries

TOWN OF LAKE PARK - ANNUAL BUDGET
FINANCE DEPARTMENT (G F 150)
DEPARTMENTAL METRICS, FUNCTIONS, & PERFORMANCE MEASURES
FISCAL YEAR 2013-14

The overall goal of the Town of Lake Park's Finance Department is to assure the effective and efficient use of the Town's fiscal and monetary resources and to safeguard Town assets.

Among the Finance Department's responsibilities are the development of the Town's fiscal budget; the development and implementation of financial and accounting reporting policies and practices in accordance with Government Accounting Standards Board pronouncements and other legally mandated standards; and, the development of sound recordkeeping and centralized public financial services in order to meet the highest promulgated standards.

Goals for the current and upcoming year are:

- ❖ Maintain a high level of transparency, openness, and disclosure with the Town Commission and the Senior Staff
- ❖ Work towards an effective and efficient team in the Finance Department
- ❖ Develop a plan to engage the community and the Commission in the financial planning of the Town, i.e. long term planning, budgeting, and specific proposals
- ❖ Stabilizing the Town's short term and long term financial position

<p style="text-align: center;">TOWN OF LAKE PARK - ANNUAL BUDGET FINANCE DEPARTMENT (GF 150) PROPOSED INITIATIVES with DETAIL FISCAL YEAR 2013-14 Schedule 5</p>			
Project Title	Description and Justification	Revenue	Cost
Matching of voluntary retirement savings	Resume the policy of matching the first 5% of contributions made by employees, to their VALIC retirement plan with up to 2.5%. This policy encourages and incentivizes Town employees to save for retirement. The impact to the General Fund is estimated to be \$21,997, with the impact to the enterprise funds estimated to be \$13,667. Total Town wide cost of \$35,664.	\$ -	\$ 21,997
TOTALS FOR INITIATIVES THAT ARE INCLUDED IN THE TOWN MANAGERS PROPOSED BUDGET		\$ -	\$ 21,997
Finance Department Remodeling and Citizen Engagement	Open a Cashier window from the Finance Offices directly into the front entryway of Town Hall, While this project has some technical elements it should be accomplished with a minimum of inconvenience to the public. The project is intended to enhance the appearance of the main entry way into Town Hall and to give Town Hall visitors a human face to guide them to the appropriate individual or department within Town Hall.		\$ 35,000
TOTALS FOR INITIATIVES THAT ARE INCLUDED IN THE DEPARTMENTS PROPOSED BUDGET		\$ -	\$ 35,000
TOTALS FOR INITIATIVES THAT ARE NOT INCLUDED IN THE PROPOSED BUDGET		\$ -	\$ -
COMBINED TOTALS		\$ -	\$ 56,997

TOWN OF LAKE PARK - ANNUAL BUDGET
PUBLIC WORKS ADMINISTRATION (GF 400)
DEPARTMENTAL METRICS, FUNCTIONS, & PERFORMANCE MEASURES
FISCAL YEAR 2013-14

Department of Public Works Administration provides support services to the eight divisions of Public Works. Administration provides support in the form of cost accounting/budget maintenance, issuance of work orders, payroll, working with vendors; facility supplies and safety gear. Most importantly, the Public Works Department Administration is the first point of contact for the Town when residents and businesses are in need of Sanitation services or are reporting unsound conditions of sidewalks and roadways.

Administration also works on capital projects, miscellaneous maintenance projects, prepares cost estimates and Commission agenda items. One of the goals set for this year is to establish a five year improvement plan to identify and prioritize areas in need of repair or improvement. This will facilitate the budget preparation process.

The Assistant to the Public Works Director responds to incoming calls between the hours of 7:30 a.m. until 4:00 p.m. thus providing an efficient first response to the caller. The entire Public Works Department endeavors to provide a caller or visitor to the Department with a small town, personalized attention experience.

**TOWN OF LAKE PARK - ANNUAL BUDGET
PUBLIC WORKS GROUNDS MAINTENANCE (GF 406)
DEPARTMENTAL METRICS, FUNCTIONS, & PERFORMANCE MEASURES
FISCAL YEAR 2013-14**

The Grounds Maintenance Division is a very important part of the Public Works Department for the Town. This Division is responsible for taking care of all the green areas throughout the Town except Park Avenue, 10th Street, and the Marina.

By keeping the grounds looking good this makes for a more friendly place for families to want to move to Lake Park. We keep the parks well maintained to continue with that small town atmosphere. We hope that the well kept parks create a welcoming space for the residents to come together with their neighbors, families, and friends.

DEPARTMENTAL METRICS, FUNCTIONS, & PERFORMANCE MEASURES
FISCAL YEAR 2013-14

Our mission in Facilities Maintenance Division is to provide safe and well maintained public spaces in order to enhance visitor and staff users' experience. In keeping with our small town atmosphere, personnel promptly and courteously responds to calls for service.

We keep the Town looking "fresh", and we run the Division as efficiently as possible. We are pro-active in our maintenance by using inspection forms when checking buildings and playgrounds on a regular basis. We regularly paint and pressure clean, keep buildings well lit, and the plumbing functioning. This Division also manages the majority of contract vendor services which include A/C maintenance, custodial services, pest control, and building security systems.

We setup for special events, decorate for the holidays and prepare for hurricanes. This is the most versatile Division in Public Works.

Our clean buildings, parks, and Marina make Lake Park an inviting place people want to visit year round.

PARKING METERS (GF 450)
DEPARTMENTAL METRICS, FUNCTIONS, & PERFORMANCE MEASURES
FISCAL YEAR 2013-14

This information that is provided here is to help ensure the bigger picture is understood.

The parking meter ticketing process also provides 12 hours a day patrol, six days a week, for these areas.

Collections and equipment checks are done every Thursday. The kiosks are self-diagnosing and communicate problems with low batteries, coin jams and tampering to staff in real time so problems are addressed rapidly.

For the last four years, the meters have required very few repairs outside the routine maintenance.

The presence of a Town official during weekends and evenings may provide a greater level of security to all who enjoy using the parks and Marina.

COMMUNITY DEVELOPMENT (GF 500)
DEPARTMENTAL METRICS, FUNCTIONS, & PERFORMANCE MEASURES
FISCAL YEAR 2013-14**

The Community Development Department is committed to delivering personalized service while encouraging a safe, well-designed and well-maintained physical environment in an effort to facilitate balanced growth, preservation and revitalization.

The Town's Community Development Department is divided into three divisions: [Planning and Zoning, Building, and Code Enforcement](#)

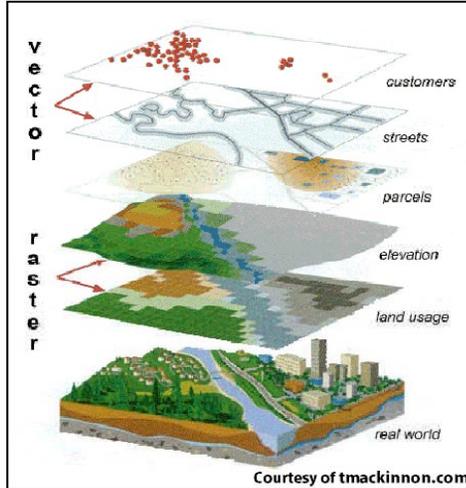

What is Planning?...and What is Zoning?

Zoning

The Town's zoning is regulated by the Town's Code of Ordinances. These zoning regulations regulate land use across the Town and shape buildin and neighborhoods. They are needed tools for preservation and physical and economic development. They ensure the public's health, safety and welfare.

Planning

Planning is a process that helps communities solve problems, protects important community features, and guides how the community will grow and change in the future. The Town's Community Development Department plays a key role in ensuring that the community's voice is heard; that key stakeholders are properly informed and engaged; and that the community's vision and resources are maintained for years to come.

In the upcoming fiscal year, the Town's Planning and Zoning department, through the direction of the Town's Community Development Director and the assistance of the Town Planner and administrative staff, will continue to work on enhancing the Town's Code of Ordinances to reflect current and innovative practices, as well as develop regulatory framework for the promotion of the Town's various zoning districts. In addition, staff will continue to work with interested stakeholders in the development and redevelopment of parcels in Town to improve the Town's aesthetic and increase property values. Additional efforts are needed in building an in-house Geographic Information Systems (GIS) in order to capture the Town's existing land uses and infrastructure. A FULL-TIME PLANNER is required to facilitate the Planning Division's initiatives.

TOWN OF LAKE PARK - ANNUAL BUDGET
COMMUNITY DEVELOPMENT (GF 500)
DEPARTMENTAL METRICS, FUNCTIONS, & PERFORMANCE MEASURES (Page 2)
FISCAL YEAR 2013-14

What is the Building Division?

The Building division employs the necessary personnel to make certain that residential, commercial and industrial structures and uses are properly constructed and meet all local, State and Federal requirements through the processing of all related permit applications and inspections. For example, a commercial big box store such as the Kohl's department store currently located in Town generated the following:

Approximately 25 building permits ranging from the initial land clearing permit to the general construction permit and the various permits for each trade (mechanical; plumbing; electrical, and so on). This type of project, which would have initiated in the Planning and Zoning Division referenced above, generated approximately \$65,000 in building permit and review fees to the Town and increased the property value more than 6 million dollars and the tax base more than \$200,000! The Town's Building Division plays a key role in ensuring all projects, whether large or small, are adequately permitted and appropriately stored in our database.

The Building division also ensures that all businesses are properly registered with a local business tax receipt. A business tax receipt is proof of payment of a business tax and is required within 30 days of business opening. The application process protects the Town's neighborhoods by ensuring that the proposed use is compatible with the surrounding area and by ensuring that the proposed use meets any applicable Florida Building Code or Palm Beach County Fire Code regulations. **The department Director, Town Planner and administrative staff are integral in the process. A FULL-TIME PLANNER will provide for a quicker response time and additional time which can be dedicated to the review of applications. In the 12-month period ranging from May 2012 through April 2013, the Town's Building Division, through building permits, business tax receipts and associated fees, generated a total of approximately \$248,000!**

What is Code Enforcement?

Code enforcement is a complex process that involves the joint efforts of the department Director, Code Compliance officers, Planner and administrative staff. The Planner plays a key role in delivering zoning information which is sometimes time sensitive in the initial stages of a Code enforcement citation, thereby enforcing the need for the Planner to be a full-time position. Code enforcement is a very important function for the Town to accomplish Town-wide goals. It helps empower the citizens of the community to create and maintain safe, healthy and attractive life and work environments. The aim of Code enforcement continues to be to help improve neighborhoods and economic conditions so that the community is known as a good place to live, retire to, raise families, work and play. Code enforcement assists the Planning and Zoning Division in making sure the Town code requirements are being abided by; assists the building division in ensuring the necessary building permits and business tax receipts are applied for and abided by; and enforces ALL other sections of the Town's regulations while working with any other Departments, law enforcement or external agency personnel as needed. While the Code Enforcement Division PREFERS to work with property owners to achieve compliance, this is not always possible and a Special Magistrate hearing is sometimes necessary and aids to further document an active violation which sometimes then leads to a fine being recorded on a property if compliance is not attained. A significant amount of administrative follow-up is required in these cases and while the process may be lengthy it is needed to ensure a positive community character is up kept and ensure fair and equal enforcement measures.

In summary, all three divisions are IMPORTANT and REQUIRED in order for the Community Development Department to operate effectively and extend the needed services to the community at large!

COMMUNITY DEVELOPMENT (GF 500)
PROPOSED INITIATIVES with DETAIL
FISCAL YEAR 2013-14**

Schedule 5

Project Title	Description and Justification	Revenue	Cost
Planner position from Part-Time to Full-Time	The Community Development Department is seeing an increase in building permit submittals; business tax receipt applications, and project submittals, all of which require the Planner's review. An increased number of Code amendment and mapping initiatives are needed and require joint Planner/Director focus.	<i>There may be an opportunity to increase permit fees, BTR fees, create permit revision fees and additional inspection fees.</i>	\$ 20,275
TOTALS FOR INITIATIVES THAT ARE INCLUDED IN THE PROPOSED BUDGET			\$ 20,275
Design Consultant for Mixed-Use Zoning District Design Guidelines (also referred to as the Federal Highway Corridor initiative)	In addition to the in-house proposal of a Mixed-Use Zoning District, a distinct set of design guidelines created by a certified design professional would enhance staff's current initiatives.	Increased development opportunity	\$ 20,000
10th Street Improvements	Phase 1: Typical Section/Study from Simmons & White or other Engineering Firm; Phase 2: Design; Phase 3: Construction	Increased development opportunity	TBD
Park Avenue Extension	PBC will submit design plans to the Town in July 2013 for review and once approved will bring to their BCC for approval onto their 5-year plan; County will construct the project; Town will own & maintain in perpetuity the road & drainage facilities once they are constructed & accepted; Town will provide or cause to provide all necessary ROW & easements for entire road segment at no cost to County (including property not currently owned by the Town – developer property); Town will provide or cause to be provided all necessary property & easements needed for drainage facilities for the entire road segment at no cost to County (including developer property)	Increased development opportunity	TBD
Annexation	Study; Public Hearings; Legal Review; Referendum at a scheduled election or special election	TBD	TBD
TOTALS FOR INITIATIVES THAT ARE NOT INCLUDED IN THE PROPOSED BUDGET			
COMBINED TOTALS

TOWN OF LAKE PARK - ANNUAL BUDGET
LIBRARY (GF 700)
DEPARTMENTAL METRICS, FUNCTIONS, & PERFORMANCE MEASURES
FISCAL YEAR 2013-14

Increased circulation and program attendance by youth using the Library during the past year reflect the Town's changing population needs. The largest portion of the population now is 25 years of age or younger as shown on the graph in page 2. <http://www.city-data.com/housing/houses-Lake-Park-Florida.html#ixzz1SknorUI>

More than 100 children along with nearly 20 parents attended the first day of the Library's Summer Reading Program this year. An average of 50 teens utilize the Library's teen room each day since the Teen room has been operational. The table below gives a view of our Library's use by our community in comparison to other Florida Public Libraries of varying size of the communities served. 92% percent of the Town's population is a Lake Park Library cardholder, substantially higher than for libraries serving larger geographic areas but also comparatively higher than similar sized libraries serving small communities less than 25000. Also significant is the ratio of cardholder to those who attend library programs. Lake Park Library's program attendance per capita is the highest - nearly 1 percent compared to other Florida libraries. http://dlis.dos.state.fl.us/bld/research_office/fy2011/ The table below reflects that Lake Park residents value their local library and use it.

It is estimated that Florida libraries provide an ROI of about \$8.32; however, Lake Park Library's ROI may be much higher considering population and the high rates of resident cardholders and those who participate in library programs. ROI is calculated by multiplying total value of individual use times the number of Lake Park library cardholders. <http://dlis.dos.state.fl.us/bld/roi/> <http://dlis.dos.state.fl.us/savingscalculator/values.cfm>

An additional factor when estimating Lake Park's ROI is a decreasing Library budget and staff reduction over the last 4 years while operating hours have increased along with program attendance and cardholders. The compounding detriment of consecutive, library budget cuts is the associated reduction of state aid operating grant funds. The Florida State Library Grant provides libraries with up to 25 cents per every local dollar expended for the operation and maintenance of the library (<http://www.dos.state.fl.us/grants/library.aspx>). Viewed from another perspective, Lake Park could be losing up to 25 cents of State funding for every dollar it does not budget for the library. In terms of compounded valuation, the loss to the Town may be even greater than 25 cents per dollar in light of the community's unusually high per capita cardholder and program attendance ratios. In addition, the importance of such services provided by the library to a community where these services are not available at home and not easily attainable carry a premium value. For example, the ability for an unemployed citizen to access a public computer is vital for that individual's success in finding new employment. In a more affluent community where the unemployment rate is nominal, the value may be less critical.

I am requesting a 19.579% increase in the overall budget in order to add 3 more part time employees and increase materials budget to \$24000. This amount is comparable to 2005 level. The 2005 FY was the only Library Materials budget since 2001 that was less than \$30,000 other than the current FY budget. The increase in part time staff is necessary to address the increase in library visitors and computer users as well as the increase in children's and Teen program attendance. Budget reductions in previous years eliminated dedicated circulation staff. However, as much as library staff has managed to adapt to lack of dedicated circulation staff, it is not a reasonable long term condition. The increase in library users and the increased demand for computer and other assistance is at the level which needs some restoration to previous budget levels.

Recap

The Insurance Fund is an Internal Service Fund. This Fund functions as a distributor of the Workers Compensation and the Property and Causality insurances for the Town. The expenses in the Fund are the result of payment of the referenced insurance bills and the revenues are the distributions of those expenses, via a matrix, to the various funds and departments.

TOWN OF LAKE PARK

PROPOSED BUDGET

STREETS AND ROADS FUND 190

FISCAL YEAR

October 1, 2013 through September 30, 2014

TOWN OF LAKE PARK - ANNUAL BUDGET
PUBLIC WORKS - STREETS & ROADS (Fund 190)
DEPARTMENTAL METRICS, FUNCTIONS, & PERFORMANCE MEASURES
FISCAL YEAR 2013-14

Possibly the first sign you see in Lake Park is the one under the Grand Archway at Federal Highway and Park Avenue. The Streets and Roads Division maintains all the public signs throughout the Town.

Directional and street signage lead to public facilities or the old street where many Lake Park residents grew up.

Street lighting is checked on a regular basis, keeping roadways and pathways safe at night. Faded, worn signs are replaced showing the way, with new highly reflective materials.

Street pot holes and sidewalks are repaired by this Division along with grinding down trip hazards in these travel ways.

Safety is this Division's highest priority. Performance is measured by the lack of complaint and liability claims.

TOWN OF LAKE PARK - ANNUAL BUDGET
PUBLIC WORKS - STREETS & ROADS (Fund 190)

PROPOSED BUDGET

MARINA FUND 401

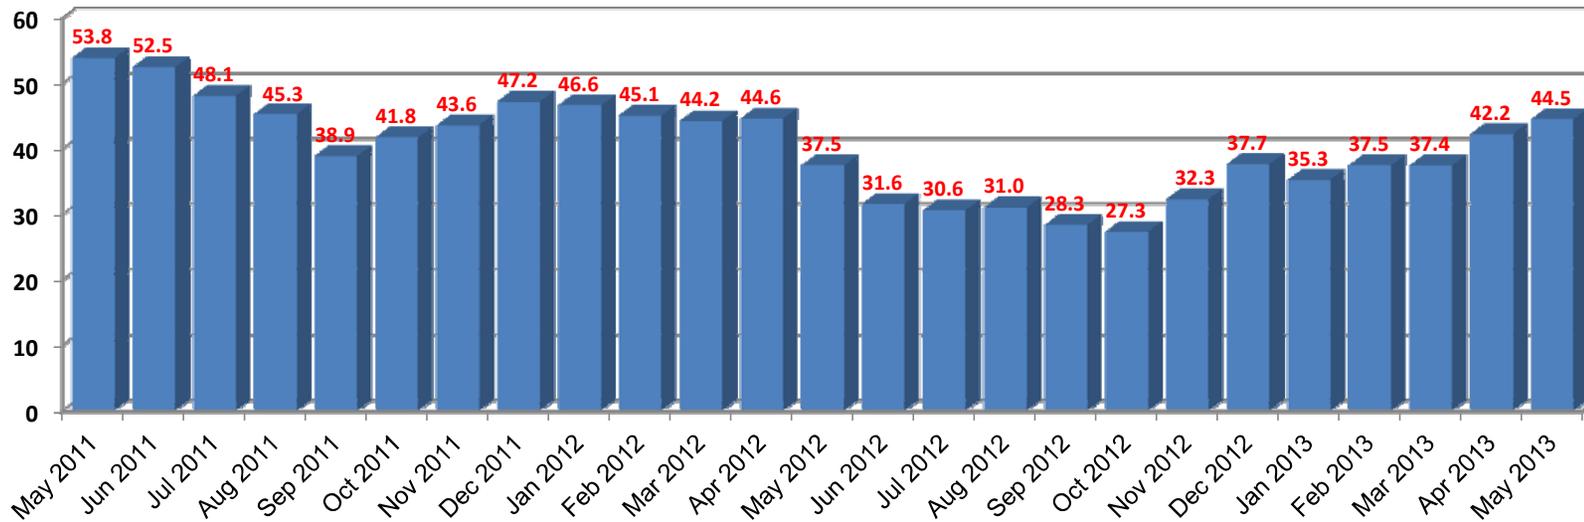

FISCAL YEAR

October 1, 2013 through September 30, 2014

TOWN OF LAKE PARK - ANNUAL BUDGET
MARINA FUND (Fund 401)
DEPARTMENTAL METRICS, FUNCTIONS, & PERFORMANCE MEASURES
FISCAL YEAR 2013-14

There has been a steady rise in Marina occupancy levels since October 2012 with current levels peaking in May 2013 at 44.5% according to the graph below. This is bolstered by the number of annual and monthly contracts which are starting to show an increase from the beginning of the fiscal year 2012/13. Annual contracts have increased from 29.6 per month in October 2012 to 37.8 per month in May 2013 and monthly contracts have increased to a high of 8.5 per month in May 2013. The number of transient contracts also peaked in May 2013 to a high of 3.5 per day according to a recent study over the last 25 months. Therefore, we have established the following performance measures for Fiscal Year 2013/14 from data compiled during the current fiscal year as follows:

- Increase the number of annual dockage contracts from an average of approximately 33 to 45 per month. Est. Revenue \$110,160
 - Increase the number of transient vessels from an average of approximately 1.5 to 3.0 per day. Est. Revenue \$41,610
 - Increase the number of monthly contracts from an average of approximately 5.6 to 7.5 per month. Est. Revenue \$18,696
- TOTAL ESTIMATED REVENUE \$170,466**
- Increase occupancy on an average annual basis from approximately 36% to 43%.

PROPOSED INITIATIVES with DETAIL

FISCAL YEAR 2013-14

Schedule 5

Project Title	Description and Justification	Revenue	Cost
Reclassify P/T Dock Attendant to full time	Reclassify P/T Dock Attendant Kenneth Brown to F/T status from 32 hours per week to 40 hours per week -- this position is needed to oversee the boat ramp , operation, coordinate maintenance projects, and perform safety inspections and occupancy checks on a daily basis. The boat ramp operation generates approximately \$50,000 per year with the potential to generate more revenue with proper coordination which is the basis for this request. The benefits of this request outweigh the estimated cost of \$5,032 towards health insurance for employee.	\$ 50,000	\$ 5,032
2014 Trawler Fest Boat Show	The Lake Park Harbor Marina will be host to the 2014 Trawler Fest in January 2014. The event consists of a small boat show with display and sale of approximately 50-60 boats and a large number of marine manufacturing products (i.e. engines, (electronics, water makers, generators, etc.) -- Trawler Fest is sponsored by Passage maker Magazine -- current venues include Antacares, Wash., Baltimore, MD., and Fort Lauderdale, FL. Sources of revenue include the following: Dockage Rentals -- \$25,000 Fuel Sales - \$10,000 Ship's Store - \$2,000 Estimated costs for the event are likely to come from additional hours of coverage by staff to service early or late vessel arrivals, fueling and other activities that may require servicing of the marina facility before or after normal operating hours.	37,000	1,000
TOTALS FOR INITIATIVES THAT ARE INCLUDED IN THE PROPOSED BUDGET		\$ 87,000	\$ 1,000

TOWN OF LAKE PARK

PROPOSED BUDGET

STORMWATER UTILITY FUND 402

FISCAL YEAR

October 1, 2013 through September 30, 2014

TOWN OF LAKE PARK - ANNUAL BUDGET
PUBLIC WORKS - STORMWATER UTILITY (Fund 402)
DEPARTMENTAL METRICS, FUNCTIONS, & PERFORMANCE MEASURES
FISCAL YEAR 2013-14

The Stormwater Utility funds personnel and equipment to maintain the stormwater infrastructure on Town owned and maintained properties which include roadway street sweeping, roadway storm pipe systems and swales and stormwater detention ponds. By efficiently maintaining this stormwater related infrastructure, safety and health of the public by reducing of standing water on roadways and reducing mosquito infestation.

Storm drainage grates are routinely cleaned during periods of heavy rainfall. The quality of the stormwater discharge is improved by routine maintenance and inspections thus making water activities more enticing.

The maintenance of the stormwater infrastructure keeps the Town compliant with Federal, State and County regulations.

The annual National Pollution Discharge Elimination System (NPDES) report requires data on the lengths of pipe cleaned, the square footage of swales regraded, the amount of debris collected both by street sweeping and storm drain cleaning. Future NPDES requirements as well as master planning drainage improvements will require storm pipe videoing in advance of repairs.

The measures of success of this program is the reduction of standing water, the absence of visible debris accumulation on storm grates, satisfaction of NPDES requirements and potential reduction in flood insurance rates.

SANITATION FUND 404

FISCAL YEAR

October 1, 2013 through September 30, 2014

TOWN OF LAKE PARK - ANNUAL BUDGET
SANITATION FUND (FUND 404)
DEPARTMENTAL METRICS, FUNCTIONS, & PERFORMANCE MEASURES
FISCAL YEAR 2013-14

The Residential Sanitation Division provides solid waste collection services to the single family and small apartment residential properties in Lake Park. The services include household garbage collection twice per week and picks up vegetation, bulk trash and recyclables once per week. This division provides these services via multi-skilled personnel and eleven vehicles, each of which are designed for specific purposes. Because of the nature of small Town staff, the Sanitation Division supplements the General Fund Grounds Maintenance operation by providing personnel to do heavy pruning, mowing and weeding at least twice a week. This is part of the Sanitation Division's commitment to doing "whatever needs done" to help keep the Town commons beautiful.

The performance of this Division is measured by customer satisfaction. The fewer phone calls the Public Works Administration receives from residential customers, the better. At the beginning of the week, following Monday's residential garbage and vegetation pickup, the Public Works Administration will receive three calls or less after collecting more than 3,000 households.

The Commercial Sanitation Division is responsible for collection and disposal of all business generated solid waste and cardboard recyclables within the Town. The division also provides clean, well maintained dumpsters to the Town's commercial customers, promotes public safety and public health by its prompt, regularly scheduled waste collection and disposal. The concerned Sanitation Division prides itself on its professional, face-to-customer service and constantly strives to tailor services to customers' needs in order to help control the expenses of the Town's business stakeholders.

Performance is measured by customer satisfaction, the fewer phone calls received by Public Works Administration, the better. It is also measured by the Division's safe driving records, as Sanitation trucks are the largest vehicles operated by the Town. It is anticipated that property and casualty insurance rates will decline based upon the last three years of safe operations.

PROPOSED INITIATIVES with DETAIL

FISCAL YEAR 2013-14

Schedule 5

Project Title	Description and Justification	Revenue	Cost
Renovate two packers	Rebuild the hydraulics and paint the body of Veh. # 43, 2004, commercial front loader		\$ 45,000
	Rebuild the hydraulics and paint the body of Veh. # 48, 2006, residential side loader		\$ 45,000
	Rather than replace the two units that are approaching the end of their wear cycle at a cost of \$250,000 each, rebuild heavy wear items and repaint the bodies that are starting to rust. This should extend the life expectancy of each vehicle by about 3 years.

The following box must be filled out to be on agenda.	Yes I have notified everyone ___ or Not applicable in this case ___BKR_____ Please initial one.

Summary Explanation/Background:

Tonight we have begun the public discussions of the Town of Lake Park Fiscal Year 2013/14 Budget. This item anticipates that the Commission will desire a second, in-depth, discussion of all the individual departments and of each individual fund. It has been proposed by staff that the workshop could be scheduled for August 13, 2013 at 6:30 pm.

Recommended Motion:

I move that we schedule a Budget Work Shop for Tuesday August 13 at 6:30 pm.

Town of Lake Park

2013/14 Budget Calendar With proposed Commission Dates

<u>Dates</u>	<u>Required Budget Action</u>
April 30	Budget worksheets and instructions communicated to all departments
May 15	Property Appraiser provides estimated preliminary taxable base for next budget year per FS 200.065
May 15	Budgets due back to Finance for review
June 1	Estimate of Taxable Value received from Property Appraiser
June 14	Completion of budget (revenue and expense) projections.
June 17-28	Budget are presented to the Town Manager who with the Finance Director analyzes the information and prioritizes
July 1	Property Appraiser submits Certificate of Taxable Value (DR420)
July 1-5	Final budgets are reviewed with Department Directors
July 12	Town Commission receives preliminary budgets in general and a discussion of the tentative millage rate and other necessary fee or rate adjustments
July 17	Town Commission holds a Budget Workshop to review the budget and at the Town Commission Meeting sets the proposed millage rate, any other fee or rate adjustments, and sets the date, time and place of the first public hearing (September 10)
August 1	Proposed millage rate & calculation of rolled back rate and date for first public hearing on budget due to Property Appraiser (within 35 days of receipt of taxable value)
August 13	Town Commission holds a second Budget Workshop to hear public comment, review the Fund Budgets, and discuss Town Initiatives
September 10	First Public Hearing on budget at 6:30 in the Town Commission Chambers; adoption of a tentative millage rate and proposed operating budget
September 19-21	Run TRIM budget ad in newspaper
September 25	Final public hearing on budget; adoption of millage rate and 2013/14 budget

Blake K. Rane Finance Director
Name/Title

Originating Department: <p style="text-align: center;">FINANCE</p>	Costs: \$ -0- Funding Source: Acct. # <input checked="" type="checkbox"/> Finance ___ BKR ___	Attachments: Certification of Taxable Value – DR-420
Advertised: Date: _____ Paper: _____ <input checked="" type="checkbox"/> Not Required	All parties that have an interest in this agenda item must be notified of meeting date and time. The following box must be filled out to be on agenda.	Yes I have notified everyone ___ or Not applicable in this case ___ BKR ___ Please initial one.

Summary Explanation/Background:

Florida Statute requires each municipality to establish a "Current Year Proposed Operating Millage Rate". This millage rate is the highest rate that could be enacted at the budget hearings without the municipality having to send a separate mailing to each resident. Florida Statute also requires each municipality to set by motion the date, time and place of the first public budget hearing.

Recommended Motion:

I move that we set the current year proposed millage rate at 8.9000 mills, and that we set the date, time and place for the first public budget hearing for September 10, 2013, at 6:30 pm, here in the Town Commission Chambers.

CERTIFICATION OF TAXABLE VALUE

**CERTIFICATION OF TAXABLE VALUE
INSTRUCTIONS**

"Principal Authority" is a county, municipality, or independent special district (including water management districts).

"Taxing Authority" is the entity levying the millage. This includes the principal authority, any special district dependent to the principal authority, any county municipal service taxing unit (MSTU), and water management district basins.

Each taxing authority must submit to their property appraiser a DR-420 and the following forms, as applicable:

- DR-420TIF, Tax Increment Adjustment Worksheet
- DR-420DEBT, Certification of Voted Debt Millage
- DR-420MM-P, Maximum Millage Levy Calculation - Preliminary Disclosure

Section I: Property Appraiser

Use this DR-420 form for all taxing authorities except school districts. Complete Section I, Lines 1 through 9, for each county, municipality, independent special district, dependent special district, MSTU, and multicounty taxing authority. Enter only taxable values that apply to the taxing authority indicated. Use a separate form for the principal authority and each dependent district, MSTU and water management district basin.

Line 8

Complete a DR-420TIF for each taxing authority making payments to a redevelopment trust fund under Section 163.387 (2)(a), Florida Statutes or by an ordinance, resolution or agreement to fund a project or to finance essential infrastructure.

Check "Yes" if the taxing authority makes payments to a redevelopment trust fund. Enter the number of DR-420TIF forms attached for the taxing authority on Line 8. Enter 0 if none.

Line 9

Complete a DR-420DEBT for each taxing authority levying either a voted debt service millage (s. 12, Article VII, State Constitution) or a levy voted for two years or less (s. 9(b), Article VII, State Constitution).

Check "Yes" if the taxing authority levies either a voted debt service millage or a levy voted for 2 years or less (s. 9(b), Article VII, State Constitution). These levies do not include levies approved by a voter referendum not required by the State Constitution. Complete and attach DR-420DEBT. Do not complete a separate DR-420 for these levies.

Send a copy to each taxing authority and keep a copy. When the taxing authority returns the DR-420 and the accompanying forms, immediately send the original to:

Florida Department of Revenue
Property Tax Oversight - TRIM Section
P. O. Box 3000
Tallahassee, Florida 32315-3000

Section II: Taxing Authority

Complete Section II. Keep one copy, return the original and one copy to your property appraiser with the applicable DR-420TIF, DR-420DEBT, and DR-420MM-P within 35 days of certification. Send one copy to the tax collector. "Dependent special district" (ss. 200.001(8)(d) and 189.403(2), F.S.) means a special district that meets at least one of the following criteria:

- The membership of its governing body is identical to that of the governing body of a single county or a single municipality.
- All members of its governing body are appointed by the governing body of a single county or a single municipality.
- During their unexpired terms, members of the special district's governing body are subject to removal at will by the governing body of a single county or a single municipality.
- The district has a budget that requires approval through an affirmative vote or can be vetoed by the governing body of a single county or a single municipality.

"Independent special district" (ss. 200.001(8)(e) and 189.403(3), F.S.) means a special district that is not a dependent special district as defined above. A district that includes more than one county is an independent special district unless the district lies wholly within the boundaries of a single municipality.

"Non-voted millage" is any millage not defined as a "voted millage" in s. 200.001(8)(f), F.S.

Lines 12 and 14

Adjust the calculation of the rolled-back rate for tax increment values and payment amounts. See the instructions for DR-420TIF. On Lines 12 and 14, carry forward values from the DR-420TIF forms.

Line 24

Include only those levies derived from millage rates.
