

RESOLUTION NO. 48-06-07

A RESOLUTION OF THE TOWN COMMISSION OF THE TOWN OF LAKE PARK, FLORIDA, AUTHORIZING THE NEGOTIATION OF A LOAN IN AN AGGREGATE AMOUNT NOT TO EXCEED \$2,000,000 FROM THE FLORIDA MUNICIPAL LOAN COUNCIL; APPROVING THE ACQUISITION AND CONSTRUCTION OF CERTAIN CAPITAL PROJECTS; APPROVING THE EXECUTION AND DELIVERY OF A LOAN AGREEMENT WITH THE FLORIDA MUNICIPAL LOAN COUNCIL; APPROVING THE EXECUTION AND DELIVERY OF A BOND PURCHASE CONTRACT; APPROVING THE EXECUTION AND DELIVERY OF A CONTINUING DISCLOSURE AGREEMENT; PROVIDING CERTAIN OTHER MATTERS IN CONNECTION WITH THE MAKING OF SUCH LOAN; AND PROVIDING AN EFFECTIVE DATE.

WHEREAS, participating governmental units have created the Florida Municipal Loan Council (the "Council") pursuant to a certain Interlocal Agreement and pursuant to Chapter 163, Part I, Florida Statutes, for the purpose of issuing its bonds to make loans to participating governmental units for qualified projects; and

WHEREAS, the Town of Lake Park, Florida (the "Borrower"), a municipal corporation is duly created and existing pursuant to the Constitution and laws of the State of Florida (the "State"); and

WHEREAS, the Borrower finds and declares that there is a substantial need for the financing of qualifying projects permitted by Florida Statutes and the State Constitution; and

WHEREAS, the Borrower possesses the ability to finance such projects on its own, but has determined that a pooled financing program involving a limited number of local governmental units which regularly undertake projects requiring significant debt financing within the State would provide for low cost financing or refinancing of such projects through economies of scale, administrative support and access to expertise in accessing the capital markets; and

WHEREAS, it is anticipated that the benefits of a pooled financing by the Borrower with a limited number of governmental units through the Florida Municipal Loan Council may be obtained through promises to repay loans under the program and supported by a general covenant to budget and appropriate for such purpose, by a specific pledge of taxes or revenues or by a general obligation; and

WHEREAS, by pooling the respective financial needs of these certain various local governmental units, the Borrower will be able to access additional markets and expects to receive the benefits of lower interest rates on more favorable terms associated with such a large scale financing with such benefits being obtained for and inuring to the Borrower; and

WHEREAS, the Council is in the process of issuing its Florida Municipal Loan Council Revenue Bonds, Series 2007A (such series may have such other designation as determined by the Council) (the "Bonds") and is seeking to make loans to governmental units; and

WHEREAS, it is determined that a need exists to borrow funds to finance or refinance the cost of the acquisition and construction of the qualifying projects set forth on Exhibit A attached hereto (the "Project"); and

All action taken to date by the officers of the Borrower in furtherance of the issuance of the Bonds and the making of the Loan is hereby approved, confirmed and ratified.

(e) No Defaults. No event has occurred and no condition exists that constitutes an Event of Default, or which, upon the execution and delivery of this Agreement and/or the passage of time or giving of notice or both, would constitute an Event of Default. The Borrower is not in violation in any material respect, and has not received notice of any claimed violation (except such violations as (i) heretofore have been specifically disclosed in writing to, and have been in writing specifically consented to by the Council and the Bond Insurer and (ii) do not, and shall not, have any material adverse effect on the transactions herein contemplated and the compliance by the Borrower with the terms hereof), of any terms of any agreement or other instrument to which it is a party or by which it, its properties or operations may be bound, which may materially adversely affect the ability of the Borrower to perform hereunder.

(f) Governmental Consent. The Borrower has obtained, or expects to obtain when required, all permits, approvals and findings of non-reviewability required as of the date hereof by any governmental body or officer for the acquisition and/or installation of the Project, including construction and renovation work, the financing or refinancing thereof or the reimbursement of the Borrower therefor, or the use of such Project, and, prior to the Loan, the Borrower will obtain all other such permits, approvals and findings as may be necessary for the foregoing and for such Loan and the proper application thereof; the Borrower has complied with or will comply with all applicable provisions of law requiring any notification, declaration,

filing or registration with any agency or other governmental body or officer in connection with the acquisition or installation of the Project, including construction and renovation work necessary for such installation, financing or refinancing thereof or reimbursement of the Borrower therefor; and any such action, construction, installation, financing, refinancing or reimbursement contemplated in this Loan Agreement is consistent with, and does not violate or conflict with, the terms of any such agency or other governmental consent, order or other action which is applicable thereto. No further consent, approval or authorization of, or filing, registration or qualification with, any governmental authority is required on the part of the Borrower as a condition to the execution and delivery of this Loan Agreement, or to amounts becoming outstanding hereunder.

(g) Compliance with Law. The Borrower is in compliance with all laws, ordinances, governmental rules and regulations to which it is subject, and which are material to its properties, operations, finances or status as a municipal corporation or subdivision of the State.

(h) Use of Proceeds.

(1) The Borrower will apply the proceeds of the Loan from the Council solely for the financing for the cost of the Projects as set forth in Exhibit A hereto. If any component of the Project listed in Exhibit A is not paid for out of the proceeds of the Loan at the Closing of the Loan, Borrower shall, as quickly as reasonably possible, with due diligence, and in any event prior to \_\_\_\_\_, 2010, use the remainder of the amounts listed in Exhibit A and any investment earnings thereon to pay the cost of the Project, provided that, such time limit may be extended by the written consent of the Council with notice to the Trustee, and provided further that Borrower may amend Exhibit A without the consent of the Council or the Trustee (but with notice thereto) but with a favorable opinion of Bond Counsel (to the effect that such an amendment and the completion of the revised Project will not adversely affect the validity or tax-exempt status of the Bonds) regarding the amended Exhibit A, to provide for the financing of a different or additional Project if Borrower, after the date hereof, deems it to not be in the interest of Borrower to acquire or construct any item of such Project or the cost of the Project proves to be less than the amounts listed on Exhibit A and the investment earnings thereon. Notwithstanding the foregoing all such proceeds shall be expended prior to \_\_\_\_\_, 2010. Borrower will provide the Trustee with a requisition in the form of the requisition attached hereto as Exhibit E for the expenditure of the remaining amounts of the Loan in the Project Loan Fund.

(2) Items of cost of the Project which may be financed include all reasonable or necessary direct or indirect costs of or incidental to the acquisition, construction or installation of the Project, including operational expenses during this construction period which would qualify for capitalization under generally accepted accounting principles, the incidental costs of placing the same in use and financing expenses (including the application or origination fees, if any, of the Bond Insurer and the Council and Borrower's Counsel fees), but not operating expenses.

(3) Borrower understands that the actual Loan proceeds received by it are less than the sum of the face amount of the Loan Agreement plus the reoffering premium in an amount equal to a discount as described in Section 3.01 hereof. Borrower will accordingly be responsible for repaying, through the Basic Payments portion of its Loan Repayments, the portion of the Bonds issued to fund only its Loan including the portion issued to fund the underwriting discount, original issue discount and other fees and costs of issuing the Bonds.

(4) The Borrower covenants that it will make no use of the proceeds of the Bonds which are in its control at any time during the term of the Bonds which would cause such Bonds to be "Arbitrage Bonds" within the meaning of Section 148 of the Code.

(5) The Borrower, by the Trustee's acceptance of the Indenture, covenants that the Borrower shall neither take any action nor fail to take any action or to the extent that it may do so, permit any other party to take any action which, if either taken or not taken, would adversely affect the exclusion from gross income for Federal income tax purposes of interest on the Bonds.

(i) Project. All items constituting the Project are permitted to be financed with the proceeds of the Bonds and the Loan pursuant to the Act.

(j) Compliance with Interlocal Act and Interlocal Agreement. All agreements and transactions provided for herein or contemplated hereby are in full compliance with the terms of the Interlocal Agreement and the Interlocal Act.

**SECTION 2.02. Covenants of Borrower.** The Borrower makes the following covenants and representations as of the date first above written and such covenants shall continue in full force and effect during the Loan Term:

(a) Security for Loan Repayment. Subject to the provisions of Section 2.02(k) hereof, the Borrower covenants and agrees to appropriate in its annual budget, by amendment, if required, and to pay when due under this Loan Agreement as promptly as money becomes available directly to the Trustee for deposit directly into the appropriate Fund or Account created in the Indenture, amounts of Non-Ad Valorem Revenues of the Borrower sufficient to satisfy the Loan Repayment as required under this Loan Agreement. Such covenant is subject in all respects to the payment of obligations secured by a pledge of such Non-Ad Valorem Revenues heretofore or hereafter entered into. Such covenant and agreement on the part of the Borrower to budget and appropriate such amounts of Non-Ad Valorem Revenues shall be cumulative, and shall continue until such Non-Ad Valorem Revenues or other legally available funds in amounts sufficient to make all required Loan Repayments, including delinquent Loan Repayments, shall have been budgeted, appropriated and actually paid to the Trustee for deposit into the appropriate Fund or Account. The Borrower further acknowledges and agrees that the Indenture shall be deemed to be entered into for the benefit of the Holders of any of the

Bonds and that the obligations of the Borrower to include the amount of any deficiency in Loan Repayments in each of its annual budgets and to pay such deficiencies from Non-Ad Valorem Revenues may be enforced in a court of competent jurisdiction in accordance with the remedies set forth herein and in the Indenture. Notwithstanding the foregoing or any provision of this Loan Agreement to the contrary, the Borrower does not covenant to maintain any services or programs now maintained by the Borrower which generate Non-Ad Valorem Revenues or to maintain the charges it presently collects for any such services or programs.

During such time as the Loan is outstanding hereunder, the Borrower agrees that, as soon as practicable upon the issuance of debt by the Borrower which is secured by its Non-Ad Valorem Revenues, it shall deliver to the Council and the Bond Insurer a certificate setting forth the calculations of the financial ratios provided below and certifying that it is in compliance with the following: (i) Non-Ad Valorem Revenues (average of actual receipts over the prior two years) must cover projected maximum annual debt service on debt secured by and/or payable solely from such Non-Ad Valorem Revenues by at least 1.5x; and (ii) projected maximum annual debt service requirements for all debt secured by and/or payable solely from such Non-Ad Valorem Revenues will not exceed 20% of Governmental Fund Revenues (defined as general fund, special fund, debt service fund and capital projects funds), exclusive of (i) ad valorem revenues restricted to payment of debt service on any debt and (ii) any debt proceeds, and based on the Borrower's audited financial statements (average of actual receipts of the prior two years). For the purposes of these covenants maximum annual debt service means the lesser of the actual maximum annual debt service on all debt or 15% of the original par amount of the debt, in each case, secured by Borrower Non-Ad Valorem Revenues.

(b) Delivery of Information to the Bond Insurer. Borrower shall deliver to the Bond Insurer and the Council as soon as available and in any event within 270 days after the end of each Fiscal Year an audited statement of its financial position as of the end of such Fiscal Year and the related statements of revenues and expenses, fund balances and changes in fund balances for such Fiscal Year, all reported by an independent certified public accountant, whose report shall state that such financial statements present fairly Borrower's financial position as of the end of such Fiscal Year and the results of operations and changes in financial position for such Fiscal Year.

(c) Information. Borrower's chief financial officer shall, at the reasonable request of the Bond Insurer, discuss Borrower's financial matters with the Bond Insurer or their designee and provide the Bond Insurer with copies of any documents reasonably requested by the Bond Insurer or its designee unless such documents or material are protected or privileged from disclosure under applicable Florida law.

(d) [Reserved].

(e) Further Assurance. The Borrower shall execute and deliver to the Trustee all such documents and instruments and do all such other acts and things as may be reasonably

necessary to enable the Trustee to exercise and enforce its rights under this Loan Agreement and to realize thereon, and record and file and re-record and re-file all such documents and instruments, at such time or times, in such manner and at such place or places, all as may be reasonably necessary or required by the Trustee to validate, preserve and protect the position of the Trustee under this Loan Agreement.

(f) Keeping of Records and Books of Account. The Borrower shall keep or cause to be kept proper records and books of account, in which correct and complete entries will be made in accordance with generally accepted accounting principles, consistently applied (except for changes concurred in by the Borrower's independent auditors) reflecting all of its financial transactions.

(g) Payment of Taxes, Etc. The Borrower shall pay all legally contracted obligations when due and shall pay all taxes, assessments and governmental charges or levies imposed upon it or upon its income or profits, or upon any properties belonging to it, prior to the date on which penalties attach thereto, and all lawful claims, which, if unpaid, might become a lien or charge upon any of its properties, provided that it shall not be required to pay any such tax, assessment, charge, levy or claim which is being contested in good faith and by appropriate proceedings, which shall operate to stay the enforcement thereof.

(h) Compliance with Laws, Etc. Subject to an annual appropriation of legally available funds, the Borrower shall comply with the requirements of all applicable laws, the terms of all grants, rules, regulations and lawful orders of any governmental authority, non-compliance with which would, singularly or in the aggregate, materially adversely affect its business, properties, earnings, prospects or credit, unless the same shall be contested by it in good faith and by appropriate proceedings which shall operate to stay the enforcement thereof.

(i) Tax-exempt Status of Bonds. The Council and the Borrower understand that it is the intention hereof that the interest on the Bonds not be included within the gross income of the holders thereof for federal income tax purposes. In furtherance thereof, the Borrower and the Council each agree that they will take all action within their control which is necessary in order for the interest on the Bonds or this Loan to remain excluded from gross income for federal income taxation purposes and shall refrain from taking any action which results in such interest becoming included in gross income.

The Borrower and the Council further covenant that, to the extent they have control over the proceeds of the Bonds, they will not take any action or fail to take any action with respect to the investment of the proceeds of any Bonds, with respect to the payments derived from the Bonds or hereunder or with respect to the issuance of other Council obligations, which action or failure to act may cause the Bonds to be "arbitrage bonds" within the meaning of such term as used in Section 148 of the Code and the regulations promulgated thereunder. In furtherance of the covenant contained in the preceding sentence, the Borrower and the Council agree to comply with the Tax Certificate as to Arbitrage and the provisions of Section 141 through 150 of

the Internal Revenue Code of 1986, as amended, including the letter of instruction attached as an Exhibit to the Tax Certificate, delivered by Bryant Miller Olive to the Borrower and the Council simultaneously with the issuance of the Bonds, as such letter may be amended from time to time, as a source of guidelines for achieving compliance with the Code.

(j) Information Reports. The Borrower covenants to provide the Council with all material and information it possesses or has the ability to possess necessary to enable the Council to file all reports required under Section 149(e) of the Code to assure that interest paid by the Council on the Bonds shall, for purposes of the federal income tax, be excluded from gross income.

(k) Limited Obligations. Anything in this Loan Agreement to the contrary notwithstanding, it is understood and agreed that all obligations of the Borrower hereunder shall be payable only from Non-Ad Valorem Revenues budgeted and appropriated as provided for hereunder and nothing herein shall be deemed to pledge ad valorem taxation revenues or to permit or constitute a mortgage or lien upon any assets or property owned by the Borrower and no Bondholder or any other person, including the Council, the Trustee or the Bond Insurer, may compel the levy of ad valorem taxes on real or personal property within the boundaries of the Borrower. The obligations hereunder do not constitute an indebtedness of the Borrower within the meaning of any constitutional, statutory or charter provision or limitation, and neither the Trustee, the Council, the Bond Insurer, or the Bondholders or any other person shall have the right to compel the exercise of the ad valorem taxing power of the Borrower or taxation of any real or personal property therein for the payment by the Borrower of its obligations hereunder. Except to the extent expressly set forth in this Loan Agreement, this Loan Agreement and the obligations of the Borrower hereunder shall not be construed as a limitation on the ability of the Borrower to pledge or covenant to pledge said Non-Ad Valorem Revenues or any revenues or taxes of the Borrower for other legally permissible purposes. Notwithstanding any provisions of this Agreement, the Indenture or the Bonds to the contrary, the Borrower shall never be obligated to maintain or continue any of the activities of the Borrower which generate user service charges, regulatory fees or any Non-Ad Valorem Revenues or the rates for such services or regulatory fees. Neither this Loan Agreement nor the obligations of the Borrower hereunder shall be construed as a pledge of or a lien on all or any legally available Non-Ad Valorem Revenues of the Borrower, but shall be payable solely as provided in Section 2.02(a) hereof and is subject in all respects to the provisions of Section 166.241, Florida Statutes, and is subject, further, to the payment of services and programs which are for essential public purposes affecting the health, welfare and safety of the inhabitants of the Borrower. It is the intent of the parties hereto and they do hereby covenant and agree, that the liability of the Borrower hereunder is a several liability of the Borrower expressly limited to the Loan Repayments and the Borrower shall have no joint liability with any other Borrower or the Council for any of their respective liabilities, except to the extent expressly provided hereunder.

The Council and the Borrower understand that the amounts available to be budgeted and appropriated to make Loan Payments hereunder is subject to the obligation of the Borrower

to provide essential services; however, such obligation is cumulative and would carry over from Fiscal Year to Fiscal Year.

(l) Reporting Requirements. (i) The Borrower will file or cause to be filed with the Bond Insurer and with the Council any official statement issued by, or on behalf of, the Borrower in connection with the incurrence of any additional indebtedness by the Borrower secured by Non-Ad Valorem Revenues. Such official statements shall be filed within sixty (60) days after the publication thereof.

(ii) The Borrower agrees to provide not later than December 31 of each year, a certificate of its Chief Financial Officer stating that to the best of its knowledge the Borrower is in compliance with the terms and conditions of this Loan Agreement, or, specifying the nature of any noncompliance and the remedial action taken or proposed to be taken to cure such noncompliance.

**SECTION 3.02. Evidence of Loan.** The Borrower's obligation hereunder to repay amounts advanced pursuant to Section 3.01, together with interest thereon, and other payments required under this Loan Agreement, shall be evidenced by this Loan Agreement.

(f) An opinion (addressed to the Council, the Trustee, the Bond Insurer and the Borrower) of Bond Counsel to the effect that such financing, refinancing or reimbursement with Loan proceeds is permitted under the Act, the Indenture and the resolution authorizing this Loan Agreement and will not cause the interest on the Bonds to be included in gross income for purposes of federal income taxation or adversely affect the validity, due authorization for or legality of the Bonds; and

(g) Such other certificates, documents, opinions and information as the Council, the Bond Insurer, the Trustee or Bond Counsel may require, such requirement to be evidenced (in the case of parties other than the Trustee) by written notice of such party to the Trustee of such requirement.

All opinions and certificates shall be dated the date of the Closing.

## ARTICLE V

### LOAN REPAYMENTS

**SECTION 5.01. Payment of Basic Payments.** Borrower shall pay to the order of the Council all Loan Repayments in lawful money of the United States of America to the Trustee. No such Loan Repayment shall be in an amount such that interest on the Loan is in excess of the maximum rate allowed by the laws of the State of Florida or of the United States of America. The Loan shall be repaid in Basic Payments, consisting of:

- (a) principal in the amounts and on the dates set forth in Exhibit D; plus
- (b) interest calculated at the rates, in the amounts and on the dates set forth in Exhibit D;

On or before the fifteenth (15th) day of the month immediately preceding each Interest Payment Date, the Trustee shall give Borrower notice in writing of the total amount of the next Basic Payment due. The Basic Payments shall be due on each \_\_\_\_\_ 20th and \_\_\_\_\_ 20th, or if such day is not a Business Day, the next preceding Business Day (a "Loan Repayment Date"), commencing \_\_\_\_\_ 20, 2007, and extending through \_\_\_\_\_ 20, 20\_\_\_, unless the due date of the Basic Payments is accelerated pursuant to the terms of Section 8.03 hereof.

**SECTION 5.02. Payment of Surety Bond Costs.** The Borrower recognizes that the Surety Bond Provider has provided to the Council the Surety Bond for deposit to the Reserve Fund in lieu of a cash payment or deposit by the Borrower. The Surety Bond shall secure and satisfy the Reserve Requirement (as defined in the Indenture) and any other reserve requirement of bonds as listed on Annex A to the Surety Bond. The Borrower, or any other borrower, whose loan was funded with proceeds of a bond issue listed on Annex A to the Surety Bond, may draw on the Surety Bond in an amount equal to or less than the limit of the Surety Bond, all in accordance with Section 4.08 of the Indenture. The Borrower hereby agrees to pay to the Trustee an amount equal to the amount drawn by the Borrower (or on behalf of the Borrower) on the Surety Bond as set forth in subsection (c) of Section 5.03 hereof. Such Surety Bond may be replaced by an Alternate Surety Bond issued with respect to funding the reserve fund of subsequent bonds issued by the Council whose reserve fund shall be on a parity with the Bonds, all in accordance with Section 4.08 of the Indenture.

**SECTION 5.03. Payment of Additional Payments.** In addition to Basic Payments, Borrower agrees to pay on demand of the Council or the Trustee, the following Additional Payments:

- (a) (i) Borrower's Proportionate Share of: the annual fees or expenses of the Council, if any, including the fees of any provider of arbitrage rebate calculations; the Bond Insurance Premium of the Bond Insurer (to the extent not previously paid from the Cost of

Issuance Fund); the fees of the Program Administrator and the fees of the rating agencies (to the extent not previously paid from the Cost of Issuance Fund); and (ii) Borrower's equal share of the annual fees of the Trustee; annual fees of the Registrar and Paying Agent; and the Surety Bond premium of the Surety Bond Provider and any related fees in connection with the Surety Bond (to the extent not previously paid from the Cost of Issuance Fund).

(b) All reasonable fees and expenses of the Council or Trustee relating to this Loan Agreement, including, but not limited to:

(1) the cost of reproducing this Loan Agreement;

(2) the reasonable fees and disbursements of Counsel utilized by the Council, the Trustee and the Bond Insurer in connection with the Loan, this Loan Agreement and the enforcement thereof;

(3) reasonable extraordinary fees of the Trustee following an Event of Default hereunder;

(4) all other reasonable out-of-pocket expenses of the Trustee and the Council in connection with the Loan, this Loan Agreement and the enforcement thereof;

(5) all taxes (including any recording and filing fees) in connection with the execution and delivery of this Loan Agreement and the pledge and assignment of the Council's right, title and interest in and to the Loan and the Loan Agreement, pursuant to the Indenture (and with the exceptions noted therein), and all expenses, including reasonable attorneys' fees, relating to any amendments, waivers, consents or collection or enforcement proceedings pursuant to the provisions hereof;

(6) all reasonable fees and expenses of the Bond Insurer relating directly to the Loan; and

(7) the Borrower's share of any amounts owed to the United States of America as rebate obligations on the Bonds related to the Borrower's Loan, which obligation shall survive the termination of this Loan Agreement.

(c) For repayment of the Surety Bond held by the Trustee an amount equal to any amount drawn by the Borrower (or on behalf of the Borrower) from the Surety Bond due to the Borrower's failure to pay its Basic Payments in accordance with Section 5.01 hereof, at the times and in the manner and together with interest and expense due thereon all as provided in Section 4.08(a) of the Indenture undertaken in order to reinstate the Surety Bond. The Borrower shall repay such amount drawn on the Surety Bond due to the Borrower's failure to pay its Basic Payments with the first available funds after payment of the current Loan Repayment. The Borrower shall repay only the amount drawn due to its failure to pay its Basic Payment.

**SECTION 5.04. Interest Earnings or Investment Losses and Excess Payments.**

(a) On each Interest Payment Date the Trustee shall credit against Borrower's obligation to pay its Loan Repayments, Borrower's share of any interest earnings which were received during the prior Interest Period by the Trustee on the Funds and Accounts (except the Project Loan Fund) held under the Indenture, or shall increase the Borrower's obligation to pay its Loan Repayment, by Borrower's share of any investment losses which were incurred during the prior Interest Period on the Funds and Accounts (except the Project Loan Fund) held under the Indenture.

(b) The credits provided for in (a) shall not be given to the extent the Borrower is in default in payment of its Loan Repayments. If past-due Loan Repayments are later collected from such defaulting Borrower, the amount of the missed credit shall, to the extent of the amount collected, be credited in proportion to the amount of credit missed, to the now non-defaulting Borrower from the past-due Loan Repayments.

(c) The credits may be accumulated. If the credit allowable for an Interest Period is more than required on the next ensuing Interest Payment Date to satisfy the current Loan Repayment, it may be used on the following Interest Payment Date.

**SECTION 5.05. Obligations of Borrower Unconditional.** Subject in all respects to the provisions of this Loan Agreement, including but not limited to Section 2.02(a) and (k) hereof, the obligations of Borrower to make the Loan Repayments required hereunder and to perform and observe the other agreements on its part contained herein, shall be absolute and unconditional, and shall not be abated, rebated, set-off, reduced, abrogated, terminated, waived, diminished, postponed or otherwise modified in any manner or to any extent whatsoever, while any Bonds remain outstanding or any Loan Repayments remain unpaid, regardless of any contingency, act of God, event or cause whatsoever. This Loan Agreement shall be deemed and construed to be a "net contract," and Borrower shall pay absolutely net the Loan Repayments and all other payments required hereunder, regardless of any rights of set-off, recoupment, abatement or counterclaim that Borrower might otherwise have against the Council, the Trustee, the Bond Insurer or any other party or parties.

**SECTION 5.06. Refunding Bonds.** In the event the Bonds are refunded, all references in this Loan Agreement to Bonds shall be deemed to refer to the refunding bonds or, in the case of a crossover refunding, to the Bonds and the refunding bonds (but Borrower shall never be responsible for any debt service on or fees relating to crossover refunding bonds which are covered by earnings on the escrow fund established from the proceeds of such bonds). The Council agrees not to issue bonds or other debt obligations to refund the portion of the Bonds allocable to this Agreement without the prior written consent of the Authorized Representative of the Borrower.

**SECTION 5.07. Prepayment.** The Loan may be prepaid in whole or in part by the Borrower on the dates and in the amounts on which the Bonds are subject to optional redemption and notice provisions pursuant to Section 3.01 of the Indenture.

## ARTICLE VI

### DEFEASANCE

This Loan Agreement shall continue to be obligatory and binding upon the Borrower in the performance of the obligations imposed by this Loan Agreement and the repayment of all sums due by the Borrower under this Loan Agreement shall continue to be secured by this Loan Agreement as provided herein until all of the indebtedness and all of the payments required to be made by the Borrower shall be fully paid to the Council, the Trustee or the Bond Insurer. Provided, however, if, at any time, the Borrower shall have paid, or shall have made provision for payment of, the principal amount of the Loan, interest thereon and redemption premiums, if any, with respect to the Bonds and shall have paid all amounts due pursuant to Section 5.03 hereof, then, and in that event, the covenant regarding the Non-Ad Valorem Revenues and the lien on the revenues pledged, if any, to the Council for the benefit of the holders of the Bonds shall be no longer in effect and all future obligations of the Borrower under this Loan Agreement shall cease. For purposes of the preceding sentence, deposit of sufficient cash and/or Governmental Obligations in irrevocable trust with a banking institution or trust company, for the sole benefit of the Council, the principal, interest and prepayment premiums, if any, received will be sufficient (as reflected in an accountants verification report provided to the Trustee by the Borrower) to make timely payment of the principal, interest and prepayment premiums, if any, on the Outstanding Loan, shall be considered "provision for payment." The prepayment premium, if any, shall be calculated based on the prepayment date selected by the Borrower in accordance with Section 5.07 hereof.

If the Borrower determines to prepay all or a portion of the Loan pursuant to Section 5.07 hereof, the Council shall redeem a like amount of Bonds which corresponds in terms of amount and scheduled maturity date to such Loan prepayment pursuant to Section 3.01 of the Indenture.

If the Borrower shall make advance payments to the Council in an amount sufficient to retire the Loan of the Borrower, including redemption premium and accrued interest to the next succeeding redemption date of the Bonds, all future obligations of the Borrower under this Loan Agreement shall cease, including the obligations under Section 5.03 hereof, except as provided in Section 4.02 hereof. However, prior to making such payments, the Borrower shall give at least 60 days' irrevocable notice by certified or registered mail to the Council and the Bond Insurer.

## ARTICLE VII

### ASSIGNMENT AND PAYMENT BY THIRD PARTIES

**SECTION 7.01. Assignment by Council.** The Borrower expressly acknowledges that this Loan Agreement and the obligations of the Borrower to make payments hereunder (with the exception of certain of the Council rights to indemnification, fees, notices and expenses), have been pledged and assigned to the Trustee as security for the Bonds under the Indenture, and that the Trustee shall be entitled to act hereunder and thereunder in the place and stead of the Council whether or not the Bonds are in default.

**SECTION 7.02. Assignment by Borrower.** This Loan Agreement may not be assigned by the Borrower for any reason without the express prior written consent of the Council, the Bond Insurer and the Trustee.

**SECTION 7.03. Payments by the Bond Insurer.** The Borrower acknowledges that payment under this Loan Agreement from funds received by the Trustee or Bondholders from the Bond Insurer do not constitute payment under this Loan Agreement for the purposes hereof or fulfillment of its obligations hereunder.

**SECTION 7.04. Payments by the Surety Bond Provider.** The Borrower acknowledges that payment under this Loan Agreement from funds received by the Trustee or Bondholders from the Surety Bond Provider do not constitute payment under this Loan Agreement for the purposes hereof or fulfillment of its obligations hereunder.

## ARTICLE VIII

### EVENTS OF DEFAULT AND REMEDIES

**SECTION 8.01. Events of Default Defined.** The following shall be “Events of Default” under this Loan Agreement and the terms “Event of Default” and “Default” shall mean (except where the context clearly indicates otherwise), whenever they are used in this Loan Agreement, any one or more of the following events:

(a) Failure by the Borrower to timely pay any Loan Repayment, when due, so long as the Bonds are outstanding;

(b) Failure by the Borrower to timely pay any other payment required to be paid hereunder on the date on which it is due and payable, provided the Borrower has prior written notice of any such payments being due;

(c) Failure by the Borrower to observe and perform any covenant, condition or agreement other than a failure under (a), on its part to be observed or performed under this Loan Agreement, for a period of thirty (30) days after notice of the failure, unless the Council, the Bond Insurer and the Trustee shall agree in writing to an extension of such time prior to its expiration; provided, however, if the failure stated in the notice can be wholly cured within a period of time not materially detrimental to the rights of the Council, the Bond Insurer or the Trustee, but cannot be cured within the applicable 30-day period, the Council, the Bond Insurer and the Trustee will not unreasonably withhold their consent to an extension of such time if corrective action is instituted by the Borrower within the applicable period and diligently pursued until the failure is corrected;

(d) Any warranty, representation or other statement by the Borrower or by an officer or agent of the Borrower contained in this Loan Agreement or in any instrument furnished in compliance with or in reference to this Loan Agreement, is false or misleading in any material respect when made;

(e) A petition is filed against the Borrower under any bankruptcy, reorganization, arrangement, insolvency, readjustment of debt, dissolution or liquidation law of any jurisdiction, whether now or hereafter in effect, and is not dismissed within 60 days of such filing;

(f) The Borrower files a petition in voluntary bankruptcy or seeking relief under any provision of any bankruptcy, reorganization, arrangement, insolvency, readjustment of debt, dissolution or liquidation law of any jurisdiction, whether now or hereafter in effect, or consents to the filing of any petition against it under such law;

(i) Any material provision of this Loan Agreement shall at any time for any reason cease to be valid and binding on the Borrower, or shall be declared to be null and void, or the validity or enforceability of this Loan Agreement shall be contested by the Borrower or any governmental agency or authority, or if the Borrower shall deny any further liability or obligation under this Loan Agreement; or

(j) Final judgment for the payment of money in the amount of \$250,000 or more is rendered against the Borrower, the payment of which would materially adversely affect the Borrower's ability to meet its obligations hereunder (it being agreed that, if insurance or adequate reserves are available to make such payment, such judgment would not materially affect the Borrower's ability to meet its obligations hereunder) and at any time after 90 days from the entry thereof, unless otherwise provided in the final judgment, (i) such judgment shall not have been discharged, or (ii) the Borrower shall not have taken and be diligently prosecuting an appeal therefrom or from the order, decree or process upon which or pursuant to which such judgment shall have been granted or entered, and have caused the execution of or levy under such judgment, order, decree or process of the enforcement thereof to have been stayed pending determination of such appeal, provided that such execution and levy would materially adversely affect the Borrower's ability to meet its obligations hereunder; or (iii) the Borrower is not obligated with respect to such judgment pursuant to the provisions of Chapter 768, Florida Statutes or other applicable law.

**SECTION 8.02. Notice of Default.** The Borrower agrees to give the Trustee, the Bond Insurer and the Council prompt written notice if any petition, assignment, appointment or possession referred to in Section 8.01(e), 8.01(f) and 8.01(g) is filed by or against the Borrower or of the occurrence of any other event or condition which constitutes a Default or an Event of Default, or with the passage of time or the giving of notice would constitute an Event of Default, immediately upon becoming aware of the existence thereof.

Gentlemen:

We are counsel to [Name of Borrower], Florida (the "Borrower"), and have been requested by the Borrower to give this opinion in connection with the loan by the Florida Municipal Loan Council (the "Council") to the Borrower of funds to finance or refinance or reimburse the Borrower for all or a portion of the cost of a certain Project (the "Project") as defined in, and as described in Exhibit A of, the Loan Agreement, dated as of \_\_\_\_\_, 2007 (the "Loan Agreement"), between the Council and the Borrower.

In this connection, we have reviewed such records, certificates and other documents as we have considered necessary or appropriate for the purposes of this opinion, including applicable laws, and resolutions adopted by the Town Council of the Borrower, the Loan Agreement, Trust Indenture dated as of \_\_\_\_\_, 2007 (the "Indenture") between the Council and Deutsche Bank Trust Company Americas, as trustee (the "Trustee"), Resolution No. \_\_\_\_\_ adopted by the Borrower on \_\_\_\_\_, 2007 (the "Resolution"), a Continuing Disclosure Agreement dated as of \_\_\_\_\_ 1, 2007 (the "Continuing Disclosure Agreement") between the Borrower and the Florida League of Cities, Inc., and a Bond Purchase

Contract dated \_\_\_\_\_, 2007 (the "Bond Purchase Contract") between the Council, Banc of America Securities LLC and the Borrowers. Based on such review, and such other considerations of law and fact as we believe to be relevant, we are of the opinion that:

(a) The Borrower is a municipality duly organized and validly existing under the Constitution and laws of the State of Florida and under the provisions of the Constitution and laws of the State of Florida. The Borrower has the legal right and all requisite power and authority to enter into the Loan Agreement, to adopt the Resolution and to consummate the transactions contemplated thereby and otherwise to carry on its activities and own its property.

(b) The Borrower has duly authorized, executed and delivered the Resolution, the Loan Agreement, the Bond Purchase Contract and the Continuing Disclosure Agreement, and such instruments are legal and binding obligations of the Borrower enforceable against the Borrower in accordance with its terms, except to the extent that the enforceability hereof may be subject to bankruptcy, insolvency, reorganization, moratorium or other similar laws affecting creditors' rights heretofore or hereafter enacted and that their enforcement may be subject to the exercise of judicial discretion in accordance with general principles of equity, and to the sovereign police powers of the State of Florida and the constitutional powers of the United States of America.

(c) The execution and delivery of the Resolution, the Continuing Disclosure Agreement, the Bond Purchase Contract and the Loan Agreement, the consummation of the transactions contemplated thereby, the purchase or construction of the Project or the reimbursement for costs of the acquisition or construction thereof or the refinancing of the indebtedness to be refinanced with the proceeds of the loan and the fulfillment of or compliance with the terms and conditions of the Loan Agreement, the Bond Purchase Contract and the Continuing Disclosure Agreement does not and will not conflict with or result in a material breach of or default under any of the terms, conditions or provisions of any agreement, contract or other instrument, or law, ordinance, regulation, or judicial or other governmental order, to which the Borrower is now a party or it or its properties is otherwise subject or bound, and the Borrower is not otherwise in violation of any of the foregoing in a manner material to the transactions contemplated by the Loan Agreement.

(d) There is no litigation or legal or governmental action, proceeding, inquiry or investigation pending or, to the best of our knowledge, threatened by governmental authorities or to which the Borrower is a party or of which any property of the Borrower is subject, which has not been described in the Official Statement or otherwise disclosed in writing to the Council and the Bond Insurer and which, if determined adversely to the Borrower, would individually or in the aggregate materially and adversely affect the validity or the enforceability of the Loan Agreement, the Bond Purchase Contract or the Continuing Disclosure Agreement.

(e) Any indebtedness being refinanced, directly or indirectly, with the proceeds of the Loan was initially incurred by the Borrower, and the proceeds of such indebtedness have been fully expended, to finance the cost of the Project.

We are attorneys admitted to practice law only in the State of Florida and express no opinion as to the laws of any other state and further express no opinion as to (i) the status of interest on the Bonds under either Federal laws or the laws of the State of Florida, or (ii) economic or financial matters described in the Official Statement relating to the Borrower.

Very truly yours,
