

## **NEW TREE PLANTING REGULATIONS - CHAPTER 34**

### ***SOME HIGHLIGHTS:***

- Ø You must have a permit to remove a tree on private property if that tree measures more than 12 inches in diameter.
- Ø You may plant approved trees in the swale with a permit. PRIOR to planting, a permit must be obtained and approved by the Community Development Department.
- Ø All landscaping and beautification in the swale shall be first presented to the Community Development Department for approval.
- Ø "Topping" of approved trees is prohibited.
- Ø The town shall have the right to cause the removal of any dead or diseased trees on private property within the town.
- Ø It shall be the duty and obligation of all owners and occupants of real property within the town, to maintain all swale areas abutting, adjacent, or contiguous to their property, in a good and proper, neat and clean condition.
