

Town of Lake Park

Position: Stormwater Technician I

Department: Public Works

Salary Range: \$19.47 – \$31.16 per hour

FLSA Status: Non-Exempt

The Town of Lake Park is seeking a Stormwater Technician I to join our Public Works Department - Stormwater Division. Under the supervision of the Stormwater Infrastructure Foreman, the Stormwater Technician I performs semi-skilled work on installing, operating, and maintaining the Town's stormwater systems. This position assists in ensuring proper drainage and regulatory compliance while following safety standards.

Key Responsibilities:

- Repair and maintain the Town's stormwater conveyance system, including catch basins, swales, and other Stormwater-related components.
- Assist in debris removal from water bodies and drainage basins.
- Restore road surfaces by ensuring proper base compaction and asphalt application.
- Operate trucks and construction equipment for maintenance projects
- Routine equipment inspections for safe operation.
- Determine materials required for job completion and coordinate delivery.
- Install street barricades and traffic control measures following MOT standards.
- Maintain accurate records and reports using computerized tracking systems.
- Operate and maintain hand and power tools safely.
- Adhere to all safety protocols and standard operating procedures.
- Perform other related duties as assigned.
- Respond to emergency call-ins, including hurricanes and other critical events.

Minimum Qualifications:

- High school diploma or equivalent preferred.
- Minimum of one (1) year of relevant experience in Stormwater maintenance or Public Works.
- Valid Florida Class B Commercial Driver's License (CDL) with air brakes endorsement.
- No loss of driving privileges due to revocation, suspension, or denial of license within the past 24 months.

Knowledge, Skills, and Abilities:

- Strong understanding of occupational safety rules and practices.
- Ability to operate and maintain various stormwater-related equipment and tools.
- Competence in reading and interpreting simple plans and sketches.
- Effective communication and teamwork skills.
- Ability to perform physically demanding tasks for extended periods.

Physical Requirements:

- Heavy work requiring exertion of up to 100 pounds occasionally, 50 pounds frequently, and 20 pounds constantly.
- Physical abilities required include climbing, crouching, grasping, handling, hearing, lifting, pulling, pushing, standing, stooping, talking, and walking.

Work Environment:

- Work performed in an environment with heavy equipment and machinery that could result in potential exposure to adverse conditions, including weather extremes and hazardous materials.
- Compliance with all Town safety regulations is required.
- Exposure to adverse weather conditions, heavy equipment, noise, and hazardous

How to Apply:

This position is opened until filed. Review of applications will take place on March 30, 2026.
