It is the responsibility of all Bidders to ascertain whether addenda have been issued pertinent to this ITB prior to submitting their bid by contacting the Town of Lake Park, Town Clerk at 561.881.3311. Failure to acknowledge all Addenda may result in rejection of your bid as non-responsive.

No interpretation of the meaning of the plans, specifications or other Contract Documents will be made to any Bidder orally. Every request for such interpretation should be in writing (email preferred) and must be received by the Town Clerk. Any and all such interpretations and any supplemental instructions will be in the form of written addenda to the specifications which, if issued, will be faxed or transmitted via email, to all companies contacted to submit a bid. Questions pertaining to the specifications and/or any issues relating to the bid should not be directed to any department other than that of the Town Clerk. Should the Bidder acquire information from any source other than the Town Clerk and decide to use that information in the bid response, the Bidder does so at its own risk.

The owner reserves the right to waive any informality in bids, at its discretion.
4. **AWARD OF CONTRACT**

   A. If the Town chooses to award a contract, it will be to the lowest responsive and responsible Bidder based on the base bid, or in the opinion of the Town, to the company whose bid is most advantageous, and provides the best value. The Town of Lake Park reserves the right to take into consideration the financial responsibility of the Bidder, proven skill, experience, adequacy of personnel and equipment and facilities, previous satisfactory performance, current and projected workload and other factors which may have a direct effect on the completion of the project.

   B. In case of error in the extension of prices, if unit prices are called for in the bid, the unit bid price shall govern.

5. **EQUAL OPPORTUNITY/MINORITY AND WOMEN BUSINESS ENTERPRISE**

   (a) The town shall use its best efforts to ensure that minority and women businesses shall have an equitable opportunity to participate in the town's procurement process and that no business shall be excluded from participation in, denied benefits of, or be otherwise discriminated against in connection with the award and performance of any contracts with the town because of race, color, religion, natural origin, age, sexual orientation, gender, marital status, handicap or physical impairment.

   (b) This division shall be read consistently with the Florida Civil Rights Act, F.S. Ch. 760, and shall not repeal existing or subsequently enacted town minority/women business enterprise ordinances.

8. PROTESTED SOLICITATIONS AND AWARDS

(a) Right to protest. Any actual, or prospective, bidder or proposer that is allegedly aggrieved in connection with the solicitation or pending award of a contract may protest to the town’s Finance Director.

(b) Notice.

The notice of bid protest must be in writing, and must identify the protestant and the solicitation involved, and shall include a factual summary of the basis of the protest.

(2) The formal written protest must then be filed at the office of the Finance Director no later than 5:00 p.m. Eastern Time, within five business days after the date of filing the notice of bid protest. The formal written bid protest shall contain at a minimum the following information:

a. Identification of the name, address and contact information of the protestant and the solicitation involved;

b. A clear, brief, statement of the facts, legal arguments and other grounds on which the protest is based;

c. Identification of any applicable statutes, or ordinance(s), or other legal authority(ies) which the protestant deems applicable to the solicitation involved; and

The protestant shall mail a copy of the notice of protest and the formal written protest to the Finance Director, and shall provide the Town Manager with evidence of such mailing.

(3) The formal written protest is considered filed with the town when it is received by the Finance Director and is not timely filed unless it is received by the Finance Director within the times specified above. Failure to file a written notice of
bid protest and subsequent formal written protest within the time period specified shall result in relinquishment of all rights of protest by the vendor and abrogation of any further bid protest proceedings.

(4) These protest procedures shall be the sole remedy for challenging an award of bid or proposal. Bidders and proposers are prohibited from attempts to influence, persuade or promote through any other channels or means. Such attempts shall be cause for suspension in accordance with subsection 2-253(a).

(c) Authority to resolve. The Finance Director shall attempt to resolve the protest in a fair and equitable manner, and shall render a written decision within 10 business days to the protestant. The protestant may appeal such decision, in writing to the finance director within five business days of the date of the written decision, whereby a protest committee, comprised of the Finance Director, town manager, town attorney, and the department director of the originating department, shall have the authority to settle and resolve the protest.

(d) Proceedings. The Finance Director shall serve as the presiding officer of the protest committee in a nonvoting capacity. The town clerk shall give reasonable notice to all substantially affected persons or businesses prior to the date scheduled to consider the appeal of the protest.

(1) At or prior to the protest proceeding, the protestant may submit any written or physical materials, objects, statements, affidavits, and arguments which the protestant deems relevant to the issues raised.

(2) In the proceeding, the protestant, or its representative or counsel, may also make an oral presentation of the evidence and arguments. However, neither direct nor cross examination of witnesses will be permitted, although the presiding officer and other protest committee members may make whatever inquiries deemed pertinent to a determination of the protest.

(3) The judicial rules of evidence shall not apply and the protest committee shall base its decision on such information adduced in the course of the proceeding upon which reasonable prudent persons rely in the conduct of their affairs.

(4) A quorum of the committee consists of a majority of protest committee members. A decision shall be rendered by a majority vote of the committee members in attendance.

(5) If it is deemed that the solicitation or award is in violation of law or the procedures outlined in this resolution, the solicitation or award shall be cancelled or revised.

(6) If it is determined that the solicitation or award should be upheld, the Finance Director shall promptly issue a decision on behalf of the protest committee in writing.
stating the reason for the action with a copy furnished to the protestant and all substantially affected persons or businesses. The decision shall be final and conclusive as to the town. Any party may arrange for the proceedings to be stenographically recorded, and shall bear the expense of such recording. The proceedings shall be open to the general public.

(e) Stay of procurement during protests. In the event of a timely protest, the Finance Director shall not proceed further with the solicitation or with the pending award of the contract until the Finance Director, with the advice of the town attorney and after consultation with the department director of the originating department makes a determination that the award of the contract without delay is necessary to protect substantial interests of the town.

(f) Reservation of powers to settle actions pending before the courts. Nothing in this section is intended to affect the existing powers of the town commission to settle actions pending before the courts.

(g) Damages. In the event that a court of competent jurisdiction upholds the protestant's claim, the court awarded damages on behalf of the protestant shall be solely limited to bid/proposal preparation costs.

9. ‘DRUG FREE WORKPLACE CERTIFICATION’

In the event of the contractor's noncompliance with the nondiscrimination clauses of this contract or with any of such rules, regulations, or orders, this contract may be cancelled, terminated, or suspended in whole or in part and the contractor may be declared ineligible for further Government contracts in accordance with authorized procedures.

13. INSPECTIONS AND TESTS

(a) The Finance Director or department director of the originating department may inspect, or arrange for the inspection of, all deliveries of supplies, materials, equipment or contractual services to determine conformance with specifications set forth in the order of contract.

(b) Any originating department which has the staff and facilities for adequate inspection may be authorized by the Finance Director to inspect deliveries made to it.

(c) The Finance Director shall have the authority to require chemical and/or physical tests or samples submitted with bids and samples of deliveries which are necessary to determine their quality and conformance with the specifications. For such tests, the Finance Director shall have the authority to make use of any facilities of the town where such tests may be competently performed or an outside laboratory may be utilized. (b) Debarment. A vendor may be permanently debarred for the following:

(1) Default or failure to fully comply with the conditions, specifications, drawings, or terms of a bid, proposal or contract with the town twice in any three-year period.

RESPONSIBILITIES OF THE CONTRACTOR – SCOPE OF WORK / TECHNICAL SPECIFICATIONS

The 10th Street and Northern Drive / Prosperity Farms Road intersection is a signalized, five-way intersection located in the Town of Lake Park. 10th Street is a four-lane roadway, situated in a north/south direction with only the two northbound lanes affected by this scope. Northern Drive is a two-lane roadway that is situated in an east/west direction, with its western terminus located at 10th Street. The Town’s engineering consultant, Calvin Giordano and Associates, Inc. (CGA), has proposed a pilot program that would temporarily adjust the traffic patterns at the intersection by the closure of one lane of traffic and one turn lane. CGA has drafted the conceptual plan identified as Exhibit A, which will need to be finalized, signed, and sealed by a qualified traffic engineer.

The scope of work generally consists of closing the eastern-most, northbound lane of 10th Street, for one block leading up to the intersection. It also consists of closing a “right turn only” lane from Northern Drive to Prosperity Farms Road. Lane closures shall be accomplished in accordance with the conceptual plan identified as “Exhibit A,” which includes the installation of flexible delineator posts, painted pavement markings, static signs, and temporary retroreflective pavement markers. Spacing and placement of all items installed should be in accordance with Exhibit A, unless in conflict with FDOT standards, in which FDOT standards shall overrule. It shall be the responsibility of the Contractor to confirm compliance with all applicable federal, state, and local traffic standards. For a period of seven (7) days leading up to implementation of the traffic adjustments, variable message boards shall be placed at the locations specified within Exhibit A, which shall serve to notify motorists of pending adjustments to the traffic flow. The final exact language to be included in such signage will be determined subsequent to award of contract. Once the lane closures are in place, the message boards shall be removed.

Please consult “Exhibit A” for more detail on the scope of work. “Exhibit A” is considered part of this “Scope of Work” detail.
