# Public Risk Shelters (excepted from the Palm Beach County Emergency Management webpage)

## Hurricane Evacuation Risk Shelters

Palm Beach County currently operates hurricane evacuation shelters across the County. All hurricane evacuation shelters meet current ARC 4496 design standards to withstand hurricane force winds, including window strength and protection, wind and debris exposure, and storm surge inundation. Click Shelters for a list of those shelters.

A hurricane evacuation shelter is a refuge of last resort; a place to go if you can't stay at home or with a relative, friend, or co-worker or nearby hotel. While shelters are set up in schools, the timing of their opening and locations can change due to the circumstances of the storm. Not all shelters are opened for every storm. Monitor local media for current shelter openings and locations.

Palm Beach County and Palm Beach County Schools manage public shelters. Shelters provide simple meals and beverages; if you have special dietary needs or want snacks, you must bring your own. Shelters provide basic first aid only; cots and medical care are *not* provided.

## Host Shelters (All-Hazards)

The ARC will also shelter disaster victims who are left homeless due to non-tropical weather related disaster events threatening their neighborhood. Under these circumstances, a designated shelter (i.e., community center, church, or other public facility) will be selected and opened by the ARC, in cooperation with DEM. The selected shelter will be located in close proximity to the affected area.

## What to bring to the Shelter

- Three-day supply of water per person (i.e., three-gallons per person)
- Prescription medicines and emergency medications; you must be able to take all medications by yourself
- Special-diet foods (e.g., snacks and juices for those with dietary restrictions or allergies)
- Basic snacks
- Bedding materials (e.g., pillows, blankets, sleeping bags, cots, air mattresses, etc.) – cots will *not* be provided
- Comfortable clothing (at least two changes)
- Collapsible/folding beach chair or camp chair
- Baby food, formula, bottles, diapers, blankets, & clothes
- Flashlight, extra batteries
- Cellphone, with a battery-operated charger
- Radio with extra batteries and headphones

- Important documents (e.g., identification, medical records, insurance information, deeds or leases, birth certificates and utility bills showing your home address) – these documents are not required but will be helpful after an emergency
- Photocopies of valuable documents
- Eyeglasses, hearing aids, dentures
- Toiletries and personal hygiene items (e.g., washcloth and/or towelettes, small towel, soap, toothbrush, toothpaste, sanitary napkins, tampons, paper towels, toilet paper, etc.)
- Quiet games, books, playing cards, favorite toys, or other items for entertainment
- Special items for family members who are elderly or disabled
- Chargers/cables for any electronic devices you bring with you – functional electric outlets are limited in shelters

With the support of several community partners, Palm Beach County has established a Special Needs Shelter program. This program is intended to address the needs of Palm Beach County's most vulnerable population.

Prior to the arrival of a hurricane, or following a significant disaster, citizens who are registered with the Special Needs Shelter program will be able to shelter at a centrally located facility where they will be under the medical supervision of physicians and registered nurses.

**Admittance to these facilities is restricted to the following:**

- **Dependence on electric medical devices**
- **Dependence on supplemental oxygen**
- **Certain chronic but stable illnesses that require observation or caregivers**
- **Progressive Alzheimer's or Dementia**

All persons not meeting the above criteria will be referred to their nearest general Population Shelter. If you do not meet the criteria and live in an evacuation zone or mobile home park and are disabled with no other type of transportation you may register with Palm Tran at (561) 649-9839 for the Special Transportation Assistance Program. They will transport you to a General Population Shelter at no charge.

Transportation assistance to the Special Needs Shelter may be requested through the application process. The application process will collect information on your health, along with any assistance you may need with daily living activities.

The Special Needs shelter provides safety, power and medical supervision. You will need to provide for yourself any care you would normally need to remain well. A caregiver must accompany any client requiring direct supervision or assistance.

The shelter will provide three meals a day. If you are on a special diet please bring appropriate food for a minimum of three days.

***If you are accepted by the Special Needs Shelter you will be responsible to bring certain items with you to the shelter, including but not limited to medication, supplies, oxygen and/or concentrators to meet your needs in the shelter and during transportation.***

Valuables, non-medical electronics, or big items should be left at home, only bring the things that you need most.

A wheelchair height, adjustable back cot is provided for the client, so be sure that your caretaker or companion has their own sleeping arrangements, such as an air mattress or portable cot. Arrangements should be made to take care of any pets, as only service animals will be allowed into the shelter. If you need assistance with your pets, the county operates a pet friendly shelter and may be able to assist you. Information on the pet friendly shelter can be found by calling 561-233-1266.

Be sure to let your family know about your plans for an emergency; such as staying home, staying with relatives or acquaintances, or going to a shelter. ***The Special Needs Shelter is a refuge of last resort, not a medical facility. The shelter has no beds, applicants who cannot sleep on a cot will not be accepted.***

Please make sure the application is completely filled out. Failure to properly complete the application will result in delay of evaluation. If you have any other questions about hurricane preparedness, please do not hesitate by calling our office at the number below.

Keith Wall
